*The Deep End of the Ocean* Jacquelyn Mitchard, 1997-07-01 Masterful...A big story about human connection and emotional survival - Los Angeles Times The first book ever chosen by Oprah's Book Club Few first novels receive the kind of attention and acclaim showered on this powerful story—a nationwide bestseller, a critical success, and the first title chosen for Oprah's Book Club. Both highly suspenseful and deeply moving, *The Deep End of the Ocean* imagines every mother's worst nightmare—the disappearance of a child—as it explores a family's struggle to endure, even against extraordinary odds. Filled with compassion, humor, and brilliant observations about the texture of real life, here is a story of rare power, one that will touch readers' hearts and make them celebrate the emotions that make us all one.

*The Deep End of the Ocean* Jacquelyn Mitchard, 1997-01 The disappearance of her three-year-old son Ben threatens to drive a wedge between Beth Cappadora and her husband, Pat, and transforms her older son into a troubled delinquent, until one day nine years later when Ben comes back into their lives

*No Time to Wave Goodbye* Jacquelyn Mitchard, 2010-05-04 Twenty-two years have passed since Beth Cappadora's three-year-old son, Ben, was abducted. By some miracle he returned nine years later, and the family began to pick up the pieces of their lives. Now, in this sequel to Mitchard's beloved bestseller *The Deep End of the Ocean*, the Cappadora children are grown: Ben is married and has a baby girl, Kerry is studying to be an opera singer, and ne'er-do-well older son Vincent is a fledgling filmmaker. His new documentary—focusing on five families caught in the torturous web of never knowing the fate of their abducted children—shakes his parents to the core. As Vincent's film earns greater and greater acclaim and Beth tries to stave off a torrent of long-submerged emotions, the Cappadoras' world is rocked as Beth's greatest fear becomes reality. The family is soon drawn precipitously into the past, revisiting the worst moment of their lives—this time with only hours to find the truth that can save a life. A spellbinding novel about family loyalty and love pushed to the limits of endurance, *No Time to Wave Goodbye* is Jacquelyn Mitchard at her best.

*The Starfish and the Spider* Ori Brafman, Rod A. Beckstrom, 2006 If you cut off a spider's leg, it's crippled. If you cut off its head it dies. But if you cut off a starfish's leg it grows a new one and the old leg can grow into an entirely new starfish. Some organisations are as decentralised as the starfish, with no control or grand strategy, such as Craigslist and Napster who both were originally run by their customers. This new book proves that this type of leadership is primed to take over the world.

Major companies are starting to decentralise with great results. This is a guide to the theory behind decentralisation.

**Two If by Sea** Jacquelyn Mitchard, 2016-03-15 Just hours after his wife and her entire family perish in the Christmas Eve tsunami in Brisbane, American expat and former police officer Frank Mercy goes out to join his volunteer rescue unit and pulls a little boy from a submerged car, saving the child's life with only seconds to spare. In that moment, Frank's own life is transformed. Not quite knowing why, Frank sidesteps the law, when, instead of turning Ian over to the Red Cross, he takes the boy home to the Midwestern farm where he grew up. Not long into their journey, Frank begins to believe that Ian has an extraordinary, impossible telepathic gift; but his only wish is to protect the deeply frightened child. As Frank struggles to start over, training horses as his father and grandfather did before him, he meets Claudia, a champion equestrian and someone with whom he can share his life and his fears for Ian. Both of them know that it will be impossible to keep Ian's gift a secret forever. Already, ominous coincidences have put Frank's police instincts on high alert, as strangers trespass the quiet life at the family farm--Goodreads.com.

**Second Nature** Jacquelyn Mitchard, 2011-09-06 New York Times bestselling author Jacquelyn Mitchard's novels, with their riveting stories and unforgettable characters, have won the hearts of millions of readers. Now, from the author of *The Deep End of the Ocean* and *No Time to Wave Goodbye*, comes the fierce and moving tale of one woman's fight for her identity and her life when fate holds out a second chance. Sicily Coyne was just thirteen when her father was killed in a school fire that left her face disfigured. Twelve years later, a young surgeon, Eliza Cappadora, offers hope in the form of a revolutionary new surgery that may give Sicily back the grace and function she lost. Raised by a dynamic, tenacious aunt who taught her to lead a normal life, and engaged to a wonderful man who knew her long before the accident, Sicily rejects the offer: She knows who she is, and so do the people who love her. But when a secret surfaces that shatters Sicily's carefully constructed world, she calls off the wedding and agrees to the radical procedure in order to begin a new life. Her beauty restored virtually overnight, Sicily rushes toward life with open arms, seeking new experiences, adventures, and, most of all, love. But she soon discovers that her new face carries with it risks that no one could have imagined. Confronting a moral and medical crisis that quickly becomes a matter of life and death, Sicily is surrounded by experts and loving family, but the choice that will transform her future, for better or worse, is one she must make alone. An intense and moving story of courage, consequence, and possibility, *Second Nature* showcases the acclaimed storyteller at her very best.

*After the Ocean* Lauren E. Rico, 2024-12-24 How do you find your way back when you've left yourself behind? A painful unsolved mystery resurfaces after decades of confusion, sending one woman and her daughters on a journey of redemption in this emotional story about intergenerational trauma, family, and the beauty of Puerto Rico for fans of Nina LaCour, Xochitl Gonzalez, Elizabeth Acevedo, Jodi Picoult, Celeste Ng, and Julia Alvarez. Thirty years ago, musicians Emilia Oliveras and Paul Winstead were married in Puerto Rico. Forty-eight hours later, Paul vanished from their honeymoon cruise, leaving Emilia devastated—and the prime suspect in his disappearance. So, she ran for her life, leaving behind her love, her dreams, and her identity. Today “Emily Oliver” is a divorced music teacher and mother of two daughters who know nothing about her past: Gracie, a talented attorney who excels in the courtroom but grapples with personal relationships, and Meg, a gifted concert pianist who wrestles with her ambition and purpose. When a cryptic caller claims the unthinkable—that Paul is alive, Emily returns to Puerto Rico in search of the truth. What she doesn't know is that her daughters aren't far behind. Shocked to find their mother isn't the woman they thought she was, Gracie and Meg wonder how much of their lives have been a lie. As the paths of the three women intertwine, they are compelled to confront their pasts, reevaluate their relationships, and seek forgiveness. Together they embark on a quest to unravel the mystery of Paul's disappearance and redefine their futures on their own terms, navigating a maze of family ties, secrets, and redemption. “Lauren Rico's absorbing story touches upon social injustices and moral ambiguities, but at its heart, *After the Ocean* is a poignant reminder that healing cannot begin without truth and forgiveness. —Jamie Beck, Wall Street Journal and USA Today bestselling author “A vivid tale of love, power, family, secrets, and the power of music. I was completely swept away by the characters and their emotional journeys.” —Ellen Meister, author of *Divorce Towers*

**The Literary Filmography** Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with

cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.

But the child's paternal grandparents have different ideas—and a fierce legal battle ensues that will test the capacity and limitations of family love again and again . . . and no one will emerge from it unscathed or unchanged. **The Rest of Us** Jacquelyn Mitchard, 1999-03-01 For ten years of Sunday mornings, readers of Jacquelyn Mitchard's newspaper column, "The Rest of Us," have been calling their mothers, boyfriends and sisters to say, "See? That's exactly what I meant!" Mitchard's clear-eyed takes on everyday life in process are described over and over as "a letter from home," as "the best friend I can really count on," and as "the kind of story you tell at the coffee machine—and keep under your pillow." Jacquelyn Mitchard reaches for heart and mind simultaneously, with both wit and nostalgia but never with sentimentality. Whether writing of gun laws and garage sales, the loneliness of the long-haul single mother, fear of

gardening, or the late great American game of baseball, Mitchard stresses the personal stake each of us has in the stand-up drama of daily life. The single mother of five children, she shares her own family's dramas and epiphanies—her own mother's tradition of optimism based on nothing, the early death of her husband, the adoption of her baby daughter, as well as the great wheeling issues that confound Americans every day.
