The Invisible Billionaire, Daniel Ludwig Jerry Shields,1986

Forever & Beyond That Jay Satham,2015-03-09 This story is a love story but they are divided by ambition and the world coming in between them. It revolves around 2 main characters Mehi & Harald. Mehi is the daughter to husband and wife in Iran who are nuclear scientists and even Mehi becomes a nuclear scientist and one who is destined to find the next source of energy for the world. Harald is the son of the wealthiest money lender in Germany, an ambitious boy at a very young age he forms his own bank. The story then revolves around CZIA the face of the invisible hand who gives Harald a dream of One World, One Corporate and One Currency and how Harald with his friends from all across the globe each special in their own way is able to bring the world together in time.

Neither Confirm nor Deny M. Todd Bennett,2023-01-03 Winner, 2024 Book Award, Society for History in the Federal Government In 1974, the Hughes Glomar Explorer, ostensibly an advanced deep-sea mining vessel owned by reclusive billionaire Howard Hughes, lowered a claw-like contraption to the floor of the Pacific Ocean. This high-tech venture was only a cover story for an even more improbable scheme: a CIA mission to retrieve a sunken Soviet submarine. Like a Jules Verne novel with an Ian Fleming twist, the saga of the Glomar Explorer features underwater espionage, impossible gadgetry, and high-stakes international drama. It also marks a key moment in the history of transparency—and not just for what became known as the Glomar response: “We can neither confirm nor deny. . . .” M. Todd Bennett plumbs the depths of government secrecy in this new account of the Glomar mission and its consequences. Trawling through recently declassified documents, he explores the logistics, media fallout, and geopolitical significance of one of the most ambitious operations in intelligence history. Glomar, Bennett argues, played a pivotal but underappreciated role in helping the CIA ward off oversight amid a push for transparency and accountability. He reframes the operation’s history to offer an alternative perspective on the 1970s, a decade known for expansive openness, as well as the persistent tension between the demands of democracy and the need for secrecy in foreign policy. Combining keen historical analysis and gripping storytelling, *Neither Confirm nor Deny* brings to the surface fresh insights into the history of the security state, the politics of intelligence, and the CIA’s relationship with the media and the public.

A Lifetime of News Robert L. Kroon,2008-02-27 *A Lifetime Of News* chronicles Robert L. Kroons wartime years in

Holland under German occupation and his life as a foreign correspondent, radio and TV journalist that took him from Europe to East Timor and Easter Island and dozens of other countries in between. It looks back on some of the peoplesome famous, some eccentric, some admirable and others less sothat he interviewed in the course of his career, including the Shah of Iran, Peter Ustinov and Frank Sinatra. In his introduction, Bob Kroon explains that this book is the offshoot of ten years of current affairs lectures aboard international cruise ships, where he discovered that specific anecdotes illuminating the people and places he covered in his 50 years as a roving correspondent would keep the audience awake, while analytical ponderings about the state of the world had many passengers nodding off. After these lectures, people often asked him where his book was. So Bob Kroon decided to share some of the more memorable episodes with a larger audience, focusing on the humanity of people who crossed his path. A Lifetime Of News is a selective, personal chronicle of events and people that shaped his life and career.

The Beauty and the Billionaire Terry Moore,1984 She was a sexy starlet with a shapely figure. She loved hot fudge sundaes, movie stars, football heroes, baby blue sweaters and Howard Hughes. He was a lanky, billionaire playboy in a leather jacket, with a crazy hunger to bed every beautiful woman in Hollywood. He pursued Elizabeth Taylor, Lana Turner, Susan Hayward, Ava Gardner, Joan Crawford and a hundred other leading ladies. But he had only one true love in his life. Her name was Terry Moore. This is her story. And his.--From cover

Dream Builders, Dream Killers Berteau Joisil,2010-05-19 All immigrants to America have a story with the American Dream, a story sometimes intimately intertwined with personal dreams. My story might be a surprising, if not maybe an unexpected one diverging from the usual account of pitiful existence in Haitis slums or that of struggle for adaptation to Americas way of life by one of Haitis boat people who landed on South Floridas coast. It is a story that starts from the lower plains of the Artibonite Valley in Haiti with a dream from my great grandfather, Joizil Estim, and continues in the United States, ultimately in Powell, Ohio. It is the story of a Haitian immigrant born in the small coastal town of Saint-Marc, Haiti. It

evolves with my experiences growing up in my native country where my formative years were influenced by a connection to a diverse sociocultural environment. It progresses with my interaction with other societal enclaves in foreign lands like Germany and ultimately in the United States. It is an account of dreams fulfilled or unfulfilled, due not only to factors such as the convergence of different motivational agents (dreambuilders), the winds blowing on corporate America, whether in Haiti or the United States, but also to different conditions such as country of origin, globalization, social class, and Afro-ethnicity in America (dreamkillers). It is the story of coping with life changes, of integration into the American mainstream, of successes and disappointments of an immigrant from Haiti. But it is more than the story of an immigrant; it also reflects in a way the struggle of all immigrants coping with the pursuit of the American Dream and the quest for adaptation and continuous learning. It relates to all those who have wrestled with their dreams, those who have learned to make the best out of life's circumstances and keep a positive outlook in the era we live in. Dreambuilders, dreamkillers are in all walks of life.
