Tennessee Through Time, The Early Years Carole Stanford Bucy,2008

Hell-Bent For Music Wade Hall,2014-10-17 Pee Wee King's birth on February 18, 1914, into a Milwaukee working-class Polish family named Kuczynski was hardly an indicator that he would grow up to become a pioneer and superstar of country and western music. Certainly no one in the Polish-German community of his youth could have foreseen his influence on the direction of American popular music or his enduring fame on the stage of the Grand Ole Opry. Even Pee Wee King himself is incredulous at the unlikely twists and turns of his life and career. Pee Wee King is best remembered today as the co-writer of the most popular country music song of all time, The Tennessee Waltz. He is just as important, however, for his vital role in expanding the horizons, and the market potential, of country and western music. He took the polka and waltz rhythms of his youth, mixed them with the sounds of the big bands of the thirties and forties, and flavored it all with the balladry and moods of the Western cowboy. He combined this new sound with folk and country traditions rooted in places like Louisville, Knoxville, and Nashville. The result was a smooth, listenable, danceable, up-to-date sound that has become the most popular form of music in the United States. Recipient of numerous awards, including induction into both the Songwriters Hall of Fame and the Country Music Hall of Fame, Pee Wee King has been one of the most important figures in country music for over sixty years. Told in King's own voice and words, this biography, based on many hours of taped conversations, is the first account of King's incredible life and career. Featuring a star-studded cast of characters from the history of music—Eddy

Arnold, Minnie Pearl, Roy Acuff, Hank Williams, Gene Autry, Patti Page, and many others—this memorable book is a must-read for any fan of country music.

Killing the Dream Gerald Posner, 2013-04-16 A deep dive into James Earl Ray's role in the national tragedy: "Superb . . . a model of investigation . . . as gripping as a first-class detective story" (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin's bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner reexamines Ray and the evidence, even tracking down the mystery man Ray claimed was the conspiracy's mastermind. Beginning with an authoritative biography of Ray's life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray's conspiracy theory to rest and ultimately manages to disclose what really happened the day King was murdered.

The Posner Files Gerald Posner, 2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times–bestselling author. Case Closed: A Pulitzer Prize finalist and New York Times bestseller, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy. Drawing from official sources and dozens of interviews, filled with powerful historical detail, and including an updated comment for the fiftieth anniversary, Posner's "utterly convincing" book lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured what really happened in Dealey Plaza on November 22, 1963 (Chicago Tribune). "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review *Killing the Dream*: On April 4, 1968, Martin Luther King Jr., was killed in Memphis, Tennessee, by a single assassin's bullet. James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner cuts through phony witnesses, false claims, and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered. "A superb book: a model of investigation, meticulous in its discovery and presentation of evidence, unbiased in its exploration of every claim. And it is a wonderfully readable book, as gripping as a first-class detective story." —The New York Times
