

After The Fire Novel

Lei Huang

After the Fire Daniel Robinson, 2015-10-13 Barnes, the supervisor of a Hot Shot wildfire suppression crew, is haunted by the season past, when many members of his dedicated, young team were killed in a Colorado forest fire that went all wrong, scorching the Hot Shots as they fled, some as they struggled into their fire shelters. He wakes each morning in the presence of their ghosts as they proceed across his bedroom or assemble at his kitchen table, their eyes asking questions that he cannot answer. As he tries to unravel the threads of what happened - what went wrong - he relives the deadly fire again and again in his mind. Barnes's responsibility for the lost lives is an unbearable weight upon him, lightened only by his neighbor, a little girl named Grace, who lives with her mother and grandfather. This family of three has its own struggles, and Barnes is able to help each of them through the simple act of friendship and, finally, one lucky act of salvation. But it is they who save him, ultimately, and as Barnes becomes more deeply enmeshed in their lives, he understands that the ghosts may not be with him forever. Robinson skillfully pieces together the past while interweaving it with the present, creating an unforgettable mosaic of heroism, fatal errors, sorrow, and hope. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

After The Fire Will Hill, 2017-06-01 Winner of the YA Book Prize 2018. Shortlisted for the Carnegie Medal. Selected for the 2017 Zoella & Friends Book Club. The things I've seen are burned into me, like scars that refuse to fade. Father John controls everything inside The Fence. And Father John likes rules. Especially about never talking to Outsiders. Because Father John knows the truth. He knows what is right, and what is wrong. He knows what is coming. Moonbeam is starting to doubt, though. She's starting to see the lies behind Father John's words. She wants him to be found out. What if the only way out of the darkness is to light a fire?

And After the Fire Lauren Belfer, 2016-05-03 This literary thriller "explores the vexing question of whether art can be simultaneously beautiful and hateful . . . dazzle[s] while delving into dark places (NPR's Fresh Air). At the end of World War

II, American soldier Henry Sachs takes a souvenir, an old music manuscript, from a deserted mansion in Germany and mistakenly kills the girl who tries to stop him. In America in 2010, Henry's niece, Susanna Kessler, struggles to rebuild her life after an act of violence on the streets of New York City. When Henry dies, she uncovers the long-hidden music manuscript. She becomes determined to return it to its rightful owner, a journey that will challenge her preconceptions about herself and her family's history—and also offer her an opportunity to make peace with the past. In Berlin, Germany, in 1783, amid the city's glittering salons where aristocrats and commoners, Christians and Jews, mingle freely despite simmering anti-Semitism, Sara Itzig Levy, a renowned musician, conceals the manuscript of an anti-Jewish cantata by Johann Sebastian Bach, an unsettling gift to her from Bach's son, her teacher. This work and its disturbing message will haunt Sara and her family for generations to come. Interweaving the stories of Susanna and Sara, and their families, *And After the Fire* traverses over two hundred years of history, from the eighteenth century through the Holocaust and into today, seamlessly melding past and present, real and imagined. "Remarkably suspenseful . . . a literary thriller in the tradition of A. S. Byatt's *Possession*." —Kirkus Reviews "Absorbing." —Booklist, starred review "An intellectual thriller and a beautiful love story." —Sara Gruen, #1 New York Times–bestselling author of *Water for Elephants*

After the Fire Will Hill, 2018-10-02 An Edgar Award finalist A gripping and unforgettable story of survival after life in a cult, inspired by the survivors of the Branch Davidian siege in Waco, Texas, 1993 The things I've seen are burned into me, like scars that refuse to fade. Before, she lived inside a fence with her family. After, she's trapped, now in a federal facility. Before, she was never allowed to leave the property, never allowed to talk to Outsiders, never allowed to speak her mind. After, there are too many people asking questions, wanting to know what happened to her, trying to find out who she really is. Before, she thought she was being protected from something. After, people are telling her that now she's finally safe. She isn't sure what's better, before or after, all she knows is that there are questions she can't answer, and if everything she's been told is a lie, how can she know who's telling the truth now? Suspenseful and moving, *After the Fire* is perfect for readers looking for cult books and stories young adult historical fiction binge-worthy teen thrillers an intense, ripped-from-the-headlines plot compulsively readable books that keep you hooked until the very end Praise for *After the Fire*: Genuinely different...thrilling and spellbinding!—Patrick Ness, #1 New York Times bestselling author *The gripping story of survival and escape...It will keep you up late until you get to the very end.*—Maureen Johnson, New York Times bestselling author of *Truly Devious* A heartrending portrait of a young girl's struggle to survive a domineering religious sect and the resilience of the human spirit; this belongs on every YA shelf. —School Library Journal

After The Fire Belva Plain, 1976

After the Fire Belva Plain, 2001-04-03 What happens when the picture-perfect marriage dissolves? In her stunning new novel, New York Times–bestselling author Belva Plain penetrates a shattered marriage to explore one of the most provocative

issues of our time. Once again Plain proves herself the writer who sets the standard for family stories in a novel that is at once harrowing and deeply moving. Gerald and Hyacinth had the kind of marriage others envied. She was a beautiful artist. He was a brilliant plastic surgeon. Theirs was a comfortable, happy home with two wonderful children. Then whispers of betrayal tainted Hy's perfect marriage. And in one terrible night she commits an act she will regret for the rest of her life. An act that gives Gerald the ultimate weapon: blackmail. The price of his silence is uncontested custody of their two children. When her own beautiful, angry mother wants to know why she won't fight for custody, Hy can give no answers. But deep in her heart, Hy knows there is one question she must answer if she wants to free herself from a life of lies: What really happened that terrible night? Only then can she reclaim her children, her pride, her life—at last.

After the Fire Eugene Hecht, 1994

Images of Fire, Warmth and Light in Mary Shelley's Novels Franziska Müller, 2016-12-01 Master's Thesis from the year 2015 in the subject Didactics for the subject English - Literature, Works, grade: 1,0, , language: English, abstract: When Mary Shelley published her famous Frankenstein-novel in 1818, she hinted at a theme in the subtitle "The Modern Prometheus" that would run like a thread through all of her later novels. While much has been written about the Promethean element in Frankenstein - Dougherty focuses on the moral issues (Dougherty 111), Franklin reads the novel as a critique of the concepts of democracy in Prometheus and Frankenstein (Franklin 42), and Cantor focuses on identifying the Promethean figure - very little has been written on the element of fire in the novel. This lack of interest in the fire imagery in research is interesting, because fire plays a rather dominant role in both the Promethean Myth and the novel itself. After all, it is fire in the form of a "spark of being" that gives life to the monster. Although Watson rightly states that "'the Modern Prometheus' concerns two legends of Prometheus - that he stole fire from heaven, and that he made a man from clay and used fire to give it life" (Watson 247), only Franklin grants the issue of fire more than just a few words. She then also fails to go into more detail after declaring that the monster is not given fire, but finds it himself (Franklin 42). Interestingly, unlike research, the film industry has spotted the importance of the fire imagery. It plays a dominant role in many adaptations of the novel - recall James Whale's 1931 film version, where the villagers try to burn the monster in the windmill, or Kenneth Branagh's 1994 movie, where Frankenstein creates two monsters and the former Elizabeth commits suicide by setting herself on fire. The impact of the fire imagery in Shelley's work becomes even more apparent in looking at her other novels. The symbolic use of fire is not restricted to Frankenstein and the Promethean theme, but is a general stylistic feature distinct of Shelley's writing. In addition to Frankenstein, two other of Shelley's novels will be examined in order to prove this point. Dougherty argues that fire mainly serves the purpose of providing heat and light (Dougherty 18). The notion 'fire' will thus not be restricted to the literal sense, but will also comprise light and warmth. The symbolism of the opposite forces - darkness, cold, and water - will also be considered.

After the Fire John Lockley,1994-01-01

After the Fire Jane Casey,2016-05-03 London police detective Maeve Kerrigan has spent plenty of time at Murchison House. One of the many cement high-rise towers comprising the Maudling Estate housing project, Murchison House is home to a motley mix of society. From domestic abuse victims and elderly widows with nowhere else to turn to its flourishing criminal elements, Maeve is familiar with many of its occupants by name or reputation. But when a fire breaks out at Murchison House that consumes the top floors and leaves three dead, Maeve and her colleagues are startled to learn the identity of one of the victims. Geoff Armstrong was a wealthy, notoriously right-wing London politician—the last person they'd expect to find in a place like the Maudling Estate. And things get even murkier when evidence surfaces indicating Armstrong was murdered before the fire broke out. Was his death connected to the fire? To the other deaths at Murchison House? And what was he doing there in the first place? What Maeve begins to uncover will lead her on a terrifying journey through all levels of society, putting her very life in danger. Jane Casey's next riveting mystery featuring beloved detective Maeve Kerrigan will keep readers turning the pages from the opening scene to the stunning conclusion.

Construction Materials and Their Properties for Fire Resistance and Insulation Paul O. Awoyera,M. Z. Naser,2024-10-29 Construction Materials and Their Properties for Fire Resistance and Insulation covers the properties of novel types of concrete and other more conventional building materials in fire scenarios. The volume also stands out as an invaluable reference resource for its relevance to varied audiences both in academia and industry, spanning materials science, civil and structural engineering, and fire safety engineering. Ensuring buildings are fire safe starts at the very beginning of planning new builds or renovations. Hence, it's essential, in fact, that the right materials are chosen not only according to their load-bearing capabilities but also their susceptibility to decay and fire resistance. - Provides appropriate inputs for material behavior at elevated temperatures generated by fire, which is key to enable the assessment of various construction materials' fire performance - Illustrates the effects of fire on materials' performance to support decisions related to a building's safe structural rehabilitation - Includes probabilistic models, numerical studies, and application cases

The Insurance Press ,1909

After the Fire Becky Citra,2010-04-01 Melissa is waiting for the new life that her mother Sharlene has promised her since a fire devastated their family. But nothing ever seems to change. Melissa has difficulty making friends at school, they

never have enough money and her little brother Cody is a brat. When Sharlene announces that they will be spending the month of August at a remote cabin on a wilderness lake, Melissa is less than thrilled. But there is more to do at the lake than she expected, and she is surprised to learn that her mother knows how to paddle a canoe, fish and make bannock and s'mores. On an island in the middle of the lake, Melissa meets Alice, a strange girl who is writing a fantasy novel. Alice shares her tree fort on the island with Melissa, and while at first Melissa is attracted to Alice's strong personality and her stories of her perfect family, she becomes increasingly uneasy around Alice. As Melissa's relationship with her mother improves and her confidence increases, she is able to hold her own with Alice and start to appreciate her own imperfect family.
