**All Things Are Possible** David Edwin Harrell,1979-01-21 “The first book to tell the story of the enterprisers who have personal followings . . . a missing link in the chain of American religious movements.”—Martin E. Marty, author of October 31, 1517: Martin Luther and the Day that Changed the World Written by a Professor Emeritus at Auburn University, this is the first objective history of the great revivals that swept the country after World War II. It tells the story of the victories and defeats of such giants of the revival as William Branham, Oral Roberts, Jack Coe, T. L. Osborn, and A. A. Allen. It also tells of the powerful evangelists who carried on the revival, including Robert Schambach and Morris Cerullo. Those who lived through the great revivals of the 1950s and 1960s will be thrilled to read about those exciting days, and those interested in the religious history of the United States need to read this book to see what has led us up to this present moment in time. “Harrell has obviously attended countless rallies, read sheafs of literature, and personally interviewed many of the principals. He . . . tell[s] the story in a largely biographical format. This makes for lively reading.”—The New York Times Book Review “A book about healing revivalists that takes them seriously and treats them fairly.”—Journal of Southern History “Will be a definitive work for some years to come.”—Reviews in American History “Will attract readers interested in the reasons behind the various fat and lean periods among revivalists.”—Publishers Weekly “Harrell’s book will doubtless be the definitive work on the subject for a long while—who else will wade through Healing Waters and Miracle Magazine with such fastidious care?”—Kirkus Reviews

*Smith Wigglesworth* Stanley Howard Frodsham,1949 Whenever he appeared--a railway coach, a dirt road, a luxurious suite, a poor church--Smith Wigglesworth's missionary zeal was always at work for the sake of others in a constant affirmation of God's love and the presence of the Holy Spirit.

**W.F.P. Burton (1886-1971): A Pentecostal Pioneer's Missional Vision for Congo** David Neil Emmett,2020-11-23 Emmett contributes to missional pentecostal historiography through bringing a pre-eminent figure in early British

Pentecostalism into the limelight. He shows how Pentecostalism in Belgian Congo was pioneered by W.F.P. Burton alongside local agency. Central to Burton's contradictory and complex personality was a passionate desire to see the emancipation of humankind from the spiritual powers of darkness believing only Spirit-empowered local agency would enduringly prove effective. Burton's faith believed for Spirit intervention in church communities converting lives, bringing physical healing and transforming regions. In the maelstrom following Congolese Independence, Burton's belief in his own brand of indigenisation made him an outlier even among Pentecostals. Burton's pentecostal faith engendered an idealism which frustratingly conflicted with those not sharing it in the way he pursued it. This book thus serves Pentecostals and historians by clarifying Burton's ideals and revealing the reasons for his frustrations.

**The Image of God: Lost and Recreated** Otis Gouty, 2019-09-27 This is a book that demonstrates how a person can get the image of God. Adam and Eve were created in the image of God but lost it. They were given freedom of choice. Unfortunately, they rejected God and chose the way of Satan, which has been passed on to all of us down through the centuries from parent to child. The Bible is accepted as truth. Every step of the way taken here is documented by the Bible. Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references. Children born after Seth were born in the evil image of Adam and Eve. God was so deeply grieved by the evil intentions of Seth's descendants that he sent the flood to destroy all of mankind. Noah was favored by God, but even so, he was still of the lineage of Seth. The Old Testament is filled with the sinful acts of God's chosen children, but the faithful unchanging God had a plan which He brought to pass in the person of Jesus. This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time.

Do Greater Things Robby Dawkins, 2017-12-19 How to Heal the Sick, Cast Out Demons, Raise the Dead--and More! The

Bible says that if you belong to Jesus, you have the power to: · heal the sick · cast out demons · bring deliverance to those trapped in spiritual darkness · prophesy in his name · call forth creative miracles · receive supernatural words of wisdom and knowledge · even raise the dead So why do so many Christians live powerless lives? Why do they operate with so little faith? Having gone through his own journey from doubt to belief, Chicagoland pastor Robby Dawkins now ministers and speaks internationally, and where he goes, miracles happen. In these pages he shares incredible stories of God using ordinary people to do the impossible. And he shows that, when you begin to have faith in the power of God, take him at his Word, and understand his love for you, you will see his power released in healings, financial blessings, and miracles of all kinds.

*The Smith Wigglesworth Prophecy and the Greatest Revival of All Time* Smith Wigglesworth, 2012-12-04 You will have the privilege to see and to participate in the most glorious and mightiest sweeping revival that has ever been known in Christian history! --Smith Wigglesworth This revelation was part of a prophecy given in 1936 by legendary evangelist and healing minister Smith Wigglesworth to a young man named David du Plessis. The revival Wigglesworth foresaw was a continuation of the Pentecostal movement into the charismatic renewal that continues to this day. Later, in 1961, God gave Rev. Tommy Hicks a vision of the continuation of that revival: a worldwide movement in which the Awakening Giant--the body of Christ--receives spiritual power and authority on such a scale as has not been seen since the book of Acts. This book retells these two amazing prophecies in their entirety and also discusses their implications for the world today. The revival of God's church continues, but it won't be complete until every Spirit-filled believer understands his or her unique role in its fulfillment. Study these prophecies and ask God to reveal how He would use you to bring the greatest revival in history to completion.

**The Teachings of Smith Wigglesworth** Smith Wigglesworth, 2017-04-22 The two works which constitute this volume are referred to as the Apostle of Faith; together, they count among Smith Wigglesworth's finest writings. A superb tutor in Christianity, Smith Wigglesworth remains renowned for his unfettered and graceful commentaries upon matters of devotion and doctrine. A talented and convincing writer, Wigglesworth passionately retells the story and words of Jesus Christ in a way so heartening and joyful that many readers are moved to enthusiasm. Wigglesworth was above all a man of God, who put his talents for teaching and writing to their fullest use. A simple yet profound quality of faith reverberates through every chapter of this book, which is accessible and digestible by Christians of all ages. As one of England's best-known preachers,

Wigglesworth was an influential part of the Pentecostal movement of the late 19th and early 20th century. As the titles suggest, the chief subject in this collection is Christian faith, or more concisely how such faith is correctly expressed as a celebration and enforcement of one's closeness to God. Following this, Wigglesworth discusses different expressions of faith in the Bible, supporting his words with examples taken from the scriptures. Anecdotes concerning Jesus, and the many distractions and temptations he had to endure, are held up as prime examples of how faith may be preserved and strengthened. The teachings in this fine volume are ultimately inspiring; they reintroduce us to Jesus and the Gospels in a way they is fresh and joyous. The lapse of time since their original publication in the 1920s and 1930s has not dulled or blunted the words; if anything, Wigglesworth's lessons are more important to follow today than they ever have been.
