

Eat At Robs Photos

Allie Marie Smith

PHOTOVIDEOi ,2006-05 A local Singaporean magazine dedicated to photography and videography.

PHOTOGRAPHY WITH YOUR MOBILE PHONE Unknown, Photography with Your Mobile Phone is a practical, inspiring, and easy-to-follow guide that shows you how to capture stunning, professional-looking photos using nothing more than your smartphone. You don't need expensive equipment or advanced technical knowledge — what you truly need is a trained eye, a sense of light, and the creativity to turn everyday moments into extraordinary images. This book teaches you how to transform your phone into a powerful storytelling tool and make your photos stand out with beauty, emotion, and purpose. Each chapter walks you through the essential foundations of modern mobile photography. Photography with Your Mobile Phone teaches you how to master light, composition, focus, and framing so that every image tells a story. You'll learn how to use natural light to your advantage, balance colors and shadows, and find the right angles that make your pictures look both natural and striking. You'll also discover how to play with perspective and movement to add depth and feeling to your shots. Beyond the technical aspects, this book helps you develop your photographic vision. You'll learn how to capture emotion, atmosphere, and meaning, whether you're shooting portraits, landscapes, food, travel moments, or everyday details. It teaches you that photography isn't just about taking pictures — it's about observing, feeling, and connecting with the world around you. Photography with Your Mobile Phone also includes practical editing tips, the best mobile apps for enhancing your photos, and how to create a consistent visual style for social media or personal projects. You'll find simple methods to improve your images without overediting, preserving their authenticity and natural light. This book is an invitation to rediscover the art of seeing. With every chapter, you'll grow more confident in your ability to create beautiful, professional-looking photos from the ordinary moments of life. Photography with Your Mobile Phone reminds you that great photography isn't about the device — it's about the vision behind it. When you learn to see with attention and emotion, every image becomes a masterpiece waiting to happen.

The Structurist ,1978

Social Media Reset Allie Marie Smith,2025-07-15 Discover the joy, freedom, and flourishing life that comes with taking a social media break. We long for a life that is full of connection with God, ourselves, and others. Yet we've become programmed to seek peace, contentment, and happiness from our phones. Deep down, we know this isn't how we were

created to live. As endless scrolling leaves us feeling anxious, depressed, distracted, and alone, we realize our true needs can't be met by turning to social media. If you feel like your digital life could use a reset, you're not alone. Allie Marie Smith, life coach and author of *Wonderfully Made*, has walked this road and found a more fulfilling life. In *Social Media Reset*, she invites you to pause for 30 days and seek restoration in your mind, heart, body, and soul. While the thought of a social media break can feel daunting, Allie is a wise and compassionate guide who will help you take inventory of social media's effects on your spiritual, mental, and emotional health let go of stress and anxiety to cultivate a life of peace and contentment discover life-changing rhythms to enhance your well-being draw closer to God and show up for your life with a new level of excitement, joy, and intentionality Whether you're looking to find true connection, rediscover your passions, or embrace a new way of life that brings you joy, *Social Media Reset* will help you reconnect with what truly matters and guide you toward a purposeful life you love.
