A Life of Dialogue Kenneth Paul Kramer, 2016-05-23 In A Life of Dialogue: Love Letters to My Daughters, one finds an honest, unflinching, and authentic voice that creates a unique outlook on multiple sclerosis. Kramer juxtaposes the quest for spiritual awakening with hiding from the effects of his MS. In so doing, he offers poignant insights into living with an illness that is even now too little understood. Composed of short autobiographical letters to his two daughters, Kramer gracefully connects the personal with the universal, and the devastating emotions of MS with the unfinished joys of parenting--each bringing glimpses of new light. His spirituality informs seemingly mundane interactions with a refreshing candor. Turning toward others, trusting what is given, and responding openly, led him to becoming uniquely human in each interaction. This book is written in an uplifting and surprising way. It finds essential humanity through documenting triumphs within a life of ever-narrowing confines.

Reproductive Justice and the Catholic Church Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex, ambiguous, and alienating, but telling women who have procured abortions that they are murderers and sinners is not the best way forward. Magisterial teachings on abortion are too often presented as moral absolutes, when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition. This book initiates a new conversation about women's experiences of miscarriage, stillbirth, and abortion, arguing that we need not approach these difficult life experiences in a simplistic way. Dr. Reimer-Barry argues that both the pro-life and pro-choice movements make important and valuable claims, yet each approach on its own is flawed. Drawing on the framework of reproductive justice together with Catholic social teaching, Dr. Reimer-Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic (though not absolute) value of prenatal life. She argues that instead of thinking of the Church as a moral teacher—with leaders in Rome or Washington, DC dictating to the consciences of the faithful—a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments; a community that seeks justice together and implements structural reforms

while also providing spiritual care to those in need. What women deserve, is justice.

Reuben, Reuben Joanne Blakley, 2021-05-20 *Reuben, Reuben, a Hobo's Journals* tells the story of Reuben Martinson after he escaped from a mental hospital in 1939 and never seen again. Twenty years later, Reuben's daughter received a package with a worn satchel and the journals of a hobo poet named Dakota Swede. His journals describe life on the road and rail in the 40's and 50's and reveal the heart of a man who finds poetry in nature and hope in the next town.
