Bible Study Guide: Isaiah Volume 1 Andrew J. Lamont-Turner, Step into the fierce brilliance of prophetic fire. This verse-by-verse study of Isaiah chapters 1 to 20 opens the gates to one of Scripture's most powerful, poetic, and politically charged books. With unapologetic clarity and prophetic urgency, Isaiah confronts injustice, exposes hollow religion, and unveils the towering holiness of God. Judah's sins are laid bare, her leaders called to account, and the surrounding nations warned: divine judgment is not theoretical—it's imminent. But judgment is never the end of the story. In the midst of oracles and woes, flickers of hope burn with fierce promise: a remnant will return. A child will be born. A ruler will come, not with pomp, but with righteousness, wisdom, and peace. Assyria may crush empires, but it is only a tool in the hands of the true King. Egypt and Cush may tempt Judah's trust, but salvation belongs to the Lord alone. This in-depth exposition walks readers line by line through every verse, tracing Isaiah's warnings, imagery, historical setting, and theology. From courtroom indictments to throne room visions, from the collapse of empires to the whisper of "Immanuel," each chapter peels back layers of ancient prophecy with modern relevance. Whether you're a student of Scripture, a preacher of the Word, or a seeker of clarity in a world of confusion, this study roots you in the unshakable reality of God's sovereignty, holiness, and grace.

ONE vs. Humanity H. G. Claymore, 2025-09-03 An AI becomes the ultimate authority over war and peace. ONE gives every leader who starts a war 24 hours to end it – or die. When the first countdown begins, intelligence agencies desperately battle an invisible power. But is ONE a threat or humanity's last hope? A breathless thriller about power and morality.

Systematic Theology Dr. Althea C. Johnson, 2023-07-13 About the Book Systematic Theology, sometimes referred to as Constructive Theology or Dogmatic Theology, is a discipline which aims at arranging religious truths into a self-consistent whole. The main goal of Systematic Theology is to present the major themes of Christian faith in an ordered fashion that remains faithful to biblical witness. Systematic Theology incorporates historical, biblical, and sometimes philosophical theology into its system. The book, Systematic Theology, takes out major events in the Bible and arranges them in a sequential order from beginning to end so readers may have a better understanding of biblical features mentioned in the Bible. It goes into a deep analysis of certain topics surrounding God, the church, and the world we know today. It is author Dr. Althea C. Johnson's goal, with the guidance of God, to break down events in the Bible that may seem incomprehensible to those who have some or no knowledge of Systematic Theology. About the Author Dr. Althea C. Johnson was born in St. Ann,

Jamaica. She currently resides in Laurelton, New York. She is happily married to her husband, Leroy Johnson, and they share three beautiful children together and one grandson. She has a special love for God and plays an active role in her church—Holiness Apostolic Church of Lord Jesus Christ. Upon receiving her Doctorate in Theology, she became an Evangelism teacher at the Holiness Apostolic Bible Institute. Althea wrote this book during her doctoral studies and chose to publish this book because she learned so much from doing her research and putting all of the pieces all together. She believes that the work of God should not be hidden but shared with everyone in all parts of the world. Therefore, publishing this book will not only be educational to readers, but it will also spread the truth of God.

God's Perfect Timing J. Martin, 2016-10-24 Without question, one of the hardest things to do is wait for God's timing. In this fast-paced world in which we live, things are set up for maximum speed and efficiency. Technology is now moving faster than ever before. Smartphones are so cutting edge that they allow news events to arrive seconds after they actually occur. We are so used to everything moving at lightning speed, that we have a very hard time adjusting to the slower pace that God likes to work things out. Dazed and confused we look for answers in all the wrong places. Our life becomes directed by fear instead of faith. We grow disheartened. Our faith can weaken. If you watch a seed grow you will not see much change from one day to the next. Although without water and care it will die. Faith is no different. There are perfect times in your future when your life will blossom. All that God asks is for you to wait. When you learn to wait for God's timing, your life will overflow with grace. Surely that is not for me? Yes, it can be. God has a perfect time to turn your life around. No amount of worrying or sleepless nights will change that time. Don't let the negative thoughts make you think otherwise. - Rev J Martin

Walk Through the Book of Genesis Ian Toppin, 2022-11-21 Walk Through the Book of Genesis: A Verse-By-Verse Exposition is as the title suggests, an exposition of each verse of the book of Genesis. It begins by explaining the need for faith to believe some of what it represents. However, it makes the case that the need for faith is not unique to the Bible, but to science as well. This book offers insightful commentary about how science affirms biblical truths about creation, and it clarifies traditionally misunderstood views about the seven-day creation week. Unique perspectives are presented about the fall of mankind, their expulsion from the garden of Eden, and the plan of God to redeem them to himself. Readers will be encouraged to observe God's commitment to his covenant, which he established with Abraham and his descendants, who were all fallible individuals; yet God blessed and provided them with hope for a brighter future in a land he promised to give them as an inheritance. Finally, Walk Through the Book of Genesis: A Verse-By-Verse Exposition pinpoints successes and failures in the lives of characters in the text. Their experiences serve as examples and inspire readers to persevere despite life's challenges.

God's Perfect Timing Melvin Woodard, 2020-08-13 We are creatures of time. It affects every moment of our lives. Yet when we study the Bible, our focus tends to be on principles and personalities rather than on how the events of redemptive history were perfectly timed by God. Since my own study of the Bible's timeline opened my eyes to some of God's biggest truths, my goal is to introduce as many people as possible to the rich experience of studying Scripture with a focus on God's timing. Second Peter 3:8 states, But, beloved, do not forget this one thing, that with the Lord one day is as a thousand years, and a thousand years as one day (NKJV). How accurate a statement it is isn't the question at the moment. What's important is

this passage suggests that a day of time is much different for God than it is for us. The Creator's day is not equal to the creature's day. It is hard for me to comprehend how a day is like a thousand years and a thousand years are like a day, but that is how it appears to God. The Almighty stands outside of time. He created time and operates within it when He chooses. God can move in and out of time as He desires. Wayne Grudem rightfully states, It is evident throughout Scripture that God acts within time and acts differently at different points in time. (1) The Bible records what God has done in the past and what He plans to do in the future to bring us to salvation. If we study Scripture well, we will discover a number of important things about how God operates. From the very beginning of human history, man has needed a Savior (see Genesis 3:15). Jesus Christ came the first time nearly 2,000 years ago, and we are waiting for Him to return to finish what He started. The worldwide church needs to be awake when Jesus Christ returns. Believers dare not be like the disciples who fell asleep in the garden of Gethsemane, failing to pray and keep watch with Jesus (Matthew 26:36-46). If we are spiritually asleep when Jesus returns, we will miss one of the greatest moments in the history of the world. We must keep our lamps trimmed and burning. It's crucial for us to pay attention to the Bible's timeline. The purpose of this book is to give you (the reader) important keys to help you better understand God's plan and His character, through studying the time frame of Scripture. It begins by putting a date on I Kings 6:1 and then methodically walking through the Word of God. The book of Revelation instructs us that an end to the time of grace and salvation will come, and that time is approaching quickly. We must use the precious time we have to reach the lost-those who have yet to receive Jesus Christ, the Son of God, as their personal Savior. He is the true Savior of the world. Through my countless hours of study into God's timing I have become a different person. I fully know and trust that God will act when He is ready according to His timetable. He has taught me to be patient and endure difficult circumstances with a sense of hope and expectancy. I hope this book will do the same for you. May God open your eyes to the wonders of His perfect timing as you read on.

Wait Training Irene Williams Lawson Ph. D.,Irene Williams Lawson,2010-11 When we ask God for something, many of us expect Him to answer yes and to do so immediately. We soon understand that is not always the case. Sometimes God says no. And sometimes we have to wait for His answer, as difficult as that may be. Christians must understand that God has a plan for their lives and that it unfolds in His time and as He has ordained. In Wait Training: Learning to Wait on God's Perfect Timing, author Irene Lawson helps believers position themselves so they are aware of what God is doing in their lives when His answer is no. She also offers methods for learning to experience the many blessings from God as result of waiting on His perfect timing. The scriptures, prayers, poems, and lesson activities provide opportunities for Bible study, meditation, and memorization of God's Word. God's Word is truth, and it emphatically expresses why He does not always answer yes. Wait Training shows that through prayer and meditation, believers can see God at work and know that regardless of circumstances, all things work out for good for those who love God and are called according to His purpose. Dr. Lawson has

written a great interactive study guide on waiting on God's timing. She shares her testimony of vulnerabilities and challenges in waiting. God patiently waits for us to get quiet, grow up, and endure our season of waiting and prepares us for His glory. - Rev. Vickie B. Turner, M.Ed. Associate Pastor, Chapel Hill Harvester Church Owner/Headmaster

Divine Timing Bill Vincent, 2024-03-12 In *Divine Timing: Understanding God's Perfect Plan for Your Life*, readers are invited to explore the profound concept of God's timing and its impact on our daily lives. This insightful book delves into the often-overlooked truth that God's timing, though mysterious, is always perfect. Through a series of engaging narratives and biblical references, the author illuminates the significance of aligning ourselves with God's timeline, rather than our own. Drawing from everyday examples, such as the patience required in cooking a meal to perfection, the book makes the abstract concept of divine timing tangible and relatable. It challenges the reader to consider how impatience and a desire for immediate gratification can lead us astray, using the analogy of a bus stop to illustrate how rushing ahead or lagging behind can disrupt God's plan for us. *Divine Timing* also tackles the difficulties of waiting and the struggle to trust in God's plan, especially when His schedule doesn't align with our expectations. It provides a fresh perspective on waiting periods as not just idle time, but as opportunities for growth and preparation for what's to come. The book culminates in a powerful reflection on the biblical story of Jesus and Jerusalem, serving as a stark reminder of the consequences of missing our appointed time with God. It emphasizes the importance of being receptive and responsive to God's guidance, avoiding the pitfalls of haste and impatience. Perfect for anyone seeking spiritual growth or struggling with the concept of divine timing, this book offers a comforting assurance that while we may not always understand God's ways, we can trust that He is working for our good. It's a call to embrace the journey of faith, with all its twists and turns, trusting that in the end, we will arrive exactly where we're meant to be, exactly when we're meant to be there.
