**The Bratva's Secret Heir: An Age Gap Forced Proximity Mafia Romance (Clean Romance)** Jessica Fox, 2025-05-21 Her camera flash lit up the gala, and I knew she was trouble—digging into secrets that could bury us both. I'm a scarred ex-SEAL, bound to the Bratva, and I should've ended her. Instead, I dragged her to my frozen lake house, her defiance sparking a fire I can't tame. She's too young, too fearless, hunting my world's darkest truths while guarding a boy who's my only redemption. A brutal winter traps us, and a traitor's coup threatens the kid's life. I'll kill to protect them, even if it means betraying my oath. She's my enemy, my weakness, and I'll burn the world to keep her safe. Nobody touches what's mine.

**Secret Admirer** Harlow Layne, 2024-09-02 Seeing her for the first time changed everything. Before her I had no purpose, no reason to live. Meeting her changed me. Coco Becket was the most beautiful woman I had ever met, with plump lips, and soft eyes. She beckoned me forward, she called out to me like a siren. My need for her ran deep, deeper than I expected it too. She was the good where I was bad. The sun to my dark cloud, the thunder to my thunderstorm. When a mysterious situation brings us together, I find that I'll go to any length to keep her safe, going so far as to give up my own life, to save hers. Because before her love was never a thought...and now I'll destroy anyone that tries to take her, or that love from me.

*Behind the Screen: A Hidden Hearts Romance* KELAKKIYAR SIDDHAR, 2025-11-24 Ari Rivera never expected her quiet streaming channel to erupt into a place where thousands watched her every move, but nothing shocked her more than the steady presence of HexRabbit—an enigmatic veteran streamer whose calm guidance begins shaping her world both on and off camera. What starts as simple support quickly becomes something deeper, something neither of them fully understands

yet. As Ari's audience grows, so does the pressure. Rumors swirl, chat speculates, and the digital spotlight intensifies in ways she isn't prepared for. But each time the noise overwhelms her, HexRabbit is there—steady, perceptive, and unwavering—teaching her how to navigate the rising tide without losing herself. Their connection forms not through grand gestures but through late-night calls, quiet reassurances, and an honesty that cuts through the chaos surrounding them. When the line between friendship and something more begins to blur, Ari must decide whether she's ready to trust someone who sees her more clearly than she ever expected to be seen. Behind the Screen is a contemporary romance that explores vulnerability, courage, and the quiet power of choosing someone with intention. *Elizabeth Gaskell* Nancy S. Weyant, 2004-04-21 A great deal has been written about Elizabeth Gaskell in the past decade, and *Elizabeth Gaskell: An Annotated Guide to English Language Sources, 1992-2001* builds upon Weyant's 1994 work which covered some 350 sources published between 1976 and 1991. This supplement identifies almost 600 new books, book chapters, journal articles, dissertations, and master and honor theses on the life and writings of Gaskell. Contents include two appendixes of new editions of Gaskell's works in print and digital, audio, and video formats; a selection of websites; citations of many brief articles in the Gaskell Newsletter that are generally ignored in standard indexes; numerous sources that would otherwise be difficult to locate; and an author and subject index.--Quatrième de couverture

Literary caterer Letitia 'Tish' Tarragon is preparing her English Secret Garden-themed luncheon for Coleton Creek's annual garden club awards, but when she is taken on a tour of some of the top contenders with the garden club's president, Jim Ainsley, Tish is surprised at how seriously the residents take the awards - and how desperate they are to win. Wealthy, retired businessman Sloane Shackelford has won the coveted best garden category five years in a row, but he and his Bichon Frise, Biscuit, are universally despised. When Sloane's bludgeoned body is discovered in his pristine garden, Tish soon learns that he was disliked for reasons that go beyond his green fingers. Have the hotly contested awards brought out a competitive and murderous streak in one of the residents?

*Interactions Between Iranian and American Literatures* Naghmeh Esmaeilpour, 2024-05-14 Introducing narrative mobility

as a new approach in comparative studies of Iran and the US, this book reinterprets the politics and aesthetics of relations between the nations through an analysis of Iranian and American authors. The book focuses specifically on three authors—Simin Daneshvar, Shahriar Mandanipour, and Don DeLillo—who each employ narrative mobility to rethink intercultural negotiation, addressing parallel issues in America and Iran from different, but complementary, perspectives. The book analyzes the employment of parallel narrational techniques, presenting physically and virtually mobile characters who embody their respective countries as they move from one culture to another. The strange affinity between Iran and the US is ultimately revealed by viewing literary works as a contact zone through which the complicated relations and shared history of the two nations can be renegotiated. On a more theoretical level, the book reflects on the role of literature—in particular the novel as a transnational medium—as a bridge between nations in a period of globalization. With its focus on cross-cultural connections, the book will be of interest to anyone studying or researching comparative literature, US-Iran relations, and cultural studies generally.
