I Am the Word Paul Selig, 2010-06-24 The channeled Guides of I Am the Word provide a concise and immensely powerful program in self-awareness that can ease negative complexes and align your existence with its highest purpose. Humanity has lost itself. Both as individuals and as a world culture, we have forgotten our true nature. In I Am the Word, writer and medium Paul Selig has recorded an extraordinary program for self-realization, as dispensed through beings of higher intelligence, sometimes called Guides or Ascended Masters. These figures seek, as they have in the past, to assist men and women in discovering the higher, purposeful nature-or Christed Self-that lies dormant within us all. In a series of enticing, irresistibly practical dialogues, the Guides of I Am the Word identify the emotional boulders that displace our authentic selves and consume our potential. The Guides provide to-the-point psychological and existential insights, along with self-developing exercises and affirmations, which begin to strip away residues of fear, self-doubt, and self-suffocating habits.

Summary of Paul Selig's I Am the Word Everest Media, 2022-05-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 You choose the things in your life that you wish were different. You choose them on a level of consciousness, which means you intend to get something, or you choose them through your unconscious behavior and belief systems, which means, It always happens to me and I don't know why. #2 The beginning of the path to becoming the Christ is the hard part. You have to understand that you are the Christ and that it can be made manifest. Once the key is in the lock, the door is open and you are on the run because the energetic configurations required to bring this into existence can be brought to you with your intention. #3 As you journey, the consequences of your choice will become clear. They will be your pride, your fear, and your loathing of the self and the body. These are the low frequencies that must disband for you to ascend. #4 As you begin to understand your own ascension, you will begin to understand that those creations within and without that you have contended with were manifestations of you individually or collectively. You can release them individually and collectively.

I Am Jeffrey McNeel,2010-08 Concerning the blending of Judaism—the original covenant, the law and the prophets, the Old Testament—with that of the Truth, could the Word go further than just annulling the Law of Moses? Our Father addresses this twice, the Son of Man addresses this twice, and Paul interpreted this many times. First, when talking to David in Psalms, the Father says His Son will be a priest of a different order, the eternal high priest not of the order of Aaron. This is confirmed by Paul, who claims that the entire order of Aaron's priesthood, the entire original covenant, was replaced with a better way. Paul states that every Jew of the day knew that a change in the priesthood would of necessity bring a change in

the law. The law was not confined to parts of two books in the Torah. It is documented from the Word that Jesus and Paul consistently used the word law to refer to all the books of the prophets; the law was, according to them, never confined to the Law of Moses. This is a strong point and the focus of I Am: The Word on the Blending of Judaism and the Truth. Herein is communicated that Jesus and Paul used the term law to reference Isaiah, Psalms, and other books of the prophets. This is profound, and there can be no mistaking that, to Jesus and Paul, the law included all of the Torah and all of the books of the prophets. What does this mean for you? This gives the commandment 'we are no longer under the law' an entirely new perspective. Read I Am and learn more.
