Woman Agnes Meadows,2003 Agnes Meadows' reputation as an International performance poet has made her a firm favourite at festivals all over the world, including the Austin International Poetry Festival, Mediterranean Poetry Festival, and Palestinian PEN's International Poetry Festival. *Woman* is a selection of new poems fused with work from; her two previous books *You and Me* and *Quantum Love*; and her CDs *Agnes Meadows* and *Blues Shakin' My Heels*.

The Star Beyond Tomorrow Havelund Vincent Havelund,2010-03 This is the story of a fictional planet that is far more advanced in every way than earth. There is a federation of ten planets with which there are social and economic ties, earth being too backward is seen as being a protectorate of the major planet and a none member of the federation. The story line is to look at earth as it was, and how it will be several millenium in the future. In many ways the story is meant to be a spoof on our world as it is now, and its many shortcomings in the inability to spread our resources fairly to all mankind. Any apparent political or financial bias is purely coincidental and just part of the story.

With My Five Senses I've Fallen antonio jofre,2021-02-25 "With All My Five Sense I've Fallen" is a book where Argentine Antonio Jofré immerses us in an oasis of feelings through his poetry, in which the inspiration that love gives him overturns in each one. Through poetry that explores love in all its facets, the author takes us to a world where being in love is the only way of living.

Beyond Our World Book 2: Exolition David Rousseau,2025-02-25 EXOLITION, which follows on from the first volume of BEYOND OUR WORLD, is a more personal account, recounting a series of experiences, which the author lived and shared.

From journeys in spirit to higher dimensions, to earthly journeys with enriching encounters, abductions, Secret Space Programme missions... and that 'improbable' reunion with a Frenchman he knew during his twenty years of service... All of this will lead David to re-enter Exolition. But what is Exolition? It's a new concept, a highly spiritual teaching passed on by Ezahyel and Black Eagle. It sets in motion all the beliefs on Earth, old and new. But the culmination will undoubtedly be unconditional love. This universal love that will lead us all (eventually) to this new world that is coming, including our reintegration into the great galactic community. So hang on tight, because if the first volume did not leave you indifferent, this one will shake you up in more ways!
