Jawbone Mónica Ojeda, 2022-02-08 Finalist for the 2022 National Book Award in Translated Literature! “Was desire something like being possessed by a nightmare?” Fernanda and Annelise are so close they are practically sisters: a double image, inseparable. So how does Fernanda end up bound on the floor of a deserted cabin, held hostage by one of her teachers and estranged from Annelise? Stages of Tanning Words and Remembering Spells Tawahum Bige, 2025-04-22 In their second poetry collection, Tawahum Bige explores belonging and voice of a Two-Spirit Dene youth. These poems are a stark plunge—an answer to how voice emerges for a young Two Spirit growing up in so-called “Surrey, BC,” far from his Łutselk'e Dene territories. The fundamental thrum in which vocal cords produce sound to whisper, cry, holler and laugh—these inner workings are made corporeal through moments of growth from childhood to young adulthood to show how the seeds sprouted for someone who needed to learn to express to find their path.

A Flawless Mistake Tamara Woolgar, 2020 We all make mistakes—some small and insignificant and others mortifying, self-destructive, and life-altering. But we don't have to let those mistakes define us. We don't have to settle into the pits we inadvertently dig for ourselves. We don't need to keep repeating patterns that inevitably lead us down the same paths over and over. A Flawless Mistake is a candid, hilarious and heartbreaking look into one woman's extraordinary life, and the patterns and mistakes that could have destroyed her, but instead—eventually—led to her discovering self-love, self-awareness, and self-acceptance, as well as the ability to forgive herself and grow into someone living each day in gratitude and joy. Her journey will not only help you feel better about your own mistakes but empower you to let go of the various hurts you have felt in your life—and those you have inflicted on others—so that you can learn to make better choices in the future. It illustrates that, while doing better isn't always easy, you are never truly alone in those trenches. You are perfectly imperfect, just like the rest of us, and all we can do is try to learn from the past and do our best moving forward ... together.

Margo's Got Money Troubles Rufi Thorpe, 2024-06-11 Soon to be a series from A24 & Apple TV+ starring Elle Fanning, Nicole Kidman, Michelle Pfeiffer, & Nick Offerman! “Margo's Got Money Troubles is the feel-good novel we need right now.”

—The Washington Post “[An] enormously entertaining and lovable book.” —Nick Hornby, New York Times Book Review A bold, laugh-out-loud funny, and heartwarming story about one young woman’s attempt to navigate adulthood, new motherhood, and her meager bank account in our increasingly online world—from the PEN/Faulkner finalist and critically acclaimed author of *The Knockout Queen*. As the child of a Hooters waitress and an ex-pro wrestler, Margo Millet’s always known she’d have to make it on her own. So she enrolls at her local junior college, even though she can’t imagine how she’ll ever make a living. She’s still figuring things out and never planned to have an affair with her English professor—and while the affair is brief, it isn’t brief enough to keep her from getting pregnant. Despite everyone’s advice, she decides to keep the baby, mostly out of naiveté and a yearning for something bigger. Now, at twenty, Margo is alone with an infant, unemployed, and on the verge of eviction. She needs a cash infusion—fast. When her estranged father, Jinx, shows up on her doorstep and asks to move in with her, she agrees in exchange for help with childcare. Then Margo begins to form a plan: she’ll start an OnlyFans as an experiment, and soon finds herself adapting some of Jinx’s advice from the world of wrestling. Like how to craft a compelling character and make your audience fall in love with you. Before she knows it, she’s turned it into a runaway success. Could this be the answer to all of Margo’s problems, or does internet fame come with too high a price? Blisteringly funny and filled with sharp insight, Margo’s *Got Money Troubles* is a tender tale starring an endearing young heroine who’s struggling to wrest money and power from a world that has little interest in giving it to her. It’s a playful and honest examination of the art of storytelling and controlling your own narrative, and an empowering portrait of coming into your own, both online and off. “A wholly original novel. . . . Thorpe is both poetic and profound in the way she brings her remarkable story to an end.” —The Associated Press
