The Big Rewind Nathan Rabin, 2009-07-07 Nathan Rabin viewed pop culture as a life-affirming form of escape throughout his childhood and adolescence. As an adult, pop culture became his life. Head writer for A.V. Club for more than a decade, Rabin uses specific books, songs, albums, films, and television shows as springboards for dissecting his Dickensian life story in his acclaimed memoir *The Big Rewind*. Rabin writes movingly and hilariously about how pop culture helped save him from suicidal despair, institutionalization, and parental abandonment during a childhood that sent him ricocheting from a mental hospital to a foster home to a group home for emotionally disturbed adolescents. A fun book about depression, *The Big Rewind* is ultimately a touching narrative of a motherless child's search for family and acceptance, and a darkly comic valentine to Rabin's lovable, hard-luck dad. With comic dissertations on everything from *The Simpsons* to *The Great Gatsby*, and from *Grey Gardens* to Dr. Dre, *The Big Rewind* chronicles Rabin's improbable yet all-too-true journey through life, and its fortuitous intersections with the dizzyingly wonderful world of entertainment.

Immortal Reborn - Choices of the Heart Natalie D Wilson, 2013-03-17 Sometimes, the right choices are the most difficult to navigate. For Alexandria, coming to terms with the immortal life she has agreed to embrace, while still holding on to herself, will call on all the internal and physical strength she has. Though her angelic father, Ganymede, intends for her to ease into the new body and life that has been created for her, his Fallen brother, Rangor, has other plans. And Alex has plans for Kronis as well. Plans that call for him to have one last chance to turn away from the life of sin and hate that his father cultivated in him for millennia. In a bid for peace, and in the hope to keep Alexandria alive, the Nephilim of the Light will have to charge ahead on a quest to find Kronis, before he and his father come for Alex again. And through the great struggles and battles to come, Alex must also decide to whom she will give her heart: Gaius or Jackson. Both so dear and precious to her, yet only one can truly lay claim to her heart as her husband. She will search her very soul to discover the one whom it cries out for, amidst the great danger swirling around all those she loves. Join Alexandria and her loved ones in this
