Gender and Activism Mieke Aerts,2015 This 'Yearbook' attends to various ways in which women were active and organized themselves in order to question sex and gender related issues in the political arena. Covering a diverse range of cultures and political situations the Yearbook discusses how women protested against perceived religious suppression; actively participated in local democratic political institutions whilst not really changing gender-roles; or discussed experienced discrepancies between socialism and feminism. How do women find their ways in democratic systems of governance? What do these systems offer them in terms of emancipation and involvement in political decision making affecting their lives?

Overcoming Life's Challenges Franca Lawrence,2016-12-22 Life is full of challenges! We all go through them, whatever your gender, race, age or social status. I should know; I've experienced a lot of them! Learn what I have discovered with each page filled with beautiful little narratives of my experiences and those of others. Stories of how life's challenges were overcome. Love and relationships, family, parenthood, health, grief, career, religion and much more. Find one that addresses your situation and discover the courage to do what it takes to deal with some of life's challenges. I promise it will make you laugh too. You will find answers and some perspective on whatever you're going through or just be simply inspired.

Life has changed. Having multiple streams of income has become a necessity these days. Learn the three simple ways to create them in pages filled with success stories of ordinary women including mine. Having multiple streams of income has become the norm these days. Learn the three simple ways to create them in pages filled with success stories of ordinary women including mine. Have you discovered your dreams and where your passion lies? Most people haven't. They are still 'finding' themselves. I found what I was born to do at 38. Wish I had a book like this to read. Discover how you can too. This book is for women age 16 and over. Although written from a woman's perspective, it's a book for everyone. You will finish this book, believing you can achieve any goal if you want it badly enough. Obstacles are analysed and possible solutions offered. You will be inspired, motivated and ready to transform your life.

Leading with Integrity Michael Smith,2019-06-17 Thanks to global news and social media, we are the most informed and

socially conscious generation in history. But what are the sources of inner inspiration that guide our daily conduct and motivations in the workplace? Far from the old Machiavellian dictum that the ends justify the means, the reverse is often the case: the means determine the ends. This book presents the stories of business leaders who have aimed to build trust in the economy, and have delivered value through integrity, cooperation, stewardship, purpose and sustainability. It proposes the eight Cs of trust which can define the culture of organizations: contracts, covenants, competences, character, conscience, conviction, courage and change. The book makes the clear link between personal decision-making and global outcomes and demonstrates how positive decision-making can lead to change inside organizations and beyond.

Do Not Go Quietly George Cappannelli, Sedena Cappannelli, 2014-12-01 Winner of 9 national book awards, *Do Not Go Quietly* is an inspiring call to action and guide to a life of greater meaning, consciousness, and passion for those who weren't born yesterday—GenXers, Boomers, and Elders. It also speaks honestly and eloquently to those under 40 who want to better navigate the path ahead and better understand the world for which they will soon be responsible. It reminds us all that when we turn away from what we are passionate about, we dim the light of our intellect, depress our energies, diminish our health, and prevent ourselves from achieving the very thing we came here to this earth to accomplish—living the lives we were born to live. So, if you are in, or are approaching the second half of life, this book invites you to take the matter of how and why you live back into your own hands. It encourages you to use the tremendous power and resources available to you to ensure that you do not slip quietly and meekly into the background, but instead live your life with the dignity, purpose, and quality of experience you deserve.
