Sparrow Fun Facts Michelle Hawkins, 2020-09-25 Do you know that Sparrows prefer living close to humans? And do you know that every little habit of this little bird can become a story to tell? It is sometimes difficult to make our children understand the beauty of nature, to make them appreciate the small things, the beauty of a flower, the freshness of the air, the scent of grass. Many times we are not fortunate to be in contact with nature, far from a meadow, closed in the cities, but so often while being able to look out from our balcony in a beautiful country house, we know how to observe but do not appreciate the beauty of creation. Know the details and habits of a bird as common as it is surprising, through a simple path and that fuels the interest and curiosity of your child. That's the purpose of this book. But beware, prepare for the challenge! You will have to be able to answer the questions that your child will ask you by showing off their deep knowledge in the microworld of the Sparrow: -Mom, do you know how to tell the difference between male and female Sparrows? I do! -Hey dad, do you know how long Sparrows get I do! -Grandpa, do you know when Sparrows were introduced to the United States? I do! -Grandma, do you know how Sparrows communicate? I do! -Sarah, you're my big sister and you've studied a lot, but I bet you don't know how far Sparrows can fly without rest! I know that. You don't need anything else, just one click on Buy Now and you will let your child live a magical new adventure with his new friend Sparrow and the magic natural world of songbirds.
