What Women Should Know About Letting It Go Christin Ditchfield, 2015-04-14 You can choose to let the past define and confine you—or you can let it refine you. This liberating new book by Christin will help you make the choice to let it go and leave it behind you. You may be weighed down by feelings of guilt, discouragement, and defeat and unable to live the abundant life. You don't have to stay stuck in this endless cycle any longer. You have a choice! Sharing from her own personal experiences and the life-changing truths of Scripture, Christin Ditchfield helps you: • Identify the things that are holding you back, keeping you from living the life for which you were created! • Break free from your unhealthy thought patterns, attitudes, and behaviors. • Learn from past failures and mistakes—and then learn to let them go! • Hold on to the grace, peace, joy, hope, and freedom that is already yours in Jesus!

Psychotherapy with Suicidal People Antoon A. Leenaars, 2004-05-14 Almost a million people die by suicide every year (WHO estimate) The sheer numbers have made suicide prevention a major health target, but effective prevention is not straightforward. Suicide is a complex event, more complex than most of us imagine, calling for an equally complex response. Psychotherapy with Suicidal People provides a multi-component approach, with rich clinical data including many case histories, to guide the reader. Based on decades of research from across the globe, Antoon A. Leenaars takes the reader into the mind of the suicidal person, from the young to the elderly, from the anonymous to the famous. There is no better way to know, and thus to treat, a person. A plethora of special features makes this volume an international classic and includes: Reflections of many suicidologists such as Heraclitus, Plato, Sigmund Freud, Emile Durkheim and Edwin Shneidman. A unique window on the clinical mind of the author. Empirically supported definition, with applications across age, gender, historical time, as well as culture. The report of the International Working Group on Ethical and Legal Issues in Suicidology. Psychotherapy with Suicidal People: A Person-centred Approach is essential reading for clinical psychologists, psychiatrists

and their trainees, and all clinicians who work with suicidal people.
