Brendan G. Carr

No More Secrets Lucy Score, 2024-12-12 From the New York Times and USA Today bestselling author of *Things We Never Got Over* Are you calling dibs? She's a woman, not the last piece of f**king pie. And yes, I'm calling dibs if it keeps your hands off her. Carter Pierce wants to spend his days tending the family farm he inherited, and that's about it. After a tour of duty and a few bullet holes, he's looking forward to some peace and quiet in his hometown. Unfortunately, Blue Moon doesn't believe in peace and quiet. And his nosy neighbors sure as hell don't know how to mind their own business. As it turns out, neither does the big city journalist who arrives to interview him for a magazine article. Summer Lentz is out of place with her designer wardrobe and workaholic schedule. She asks too many questions and gets under his skin with her smart mouth and those denim-blue eyes. She's also typing his family's story a mile a minute at his kitchen table and sleeping in the bedroom across the hall. Carter's only chance for peace is to scare her away from farm life so he can go back to his comfortable, solitary existence. But Summer's got a stubborn streak and secrets of her own. And once Carter starts pulling at those threads, he's not so eager to send her packing. Will a nudge from the matchmaking Beautification Committee result in a happily ever after or a homegrown disaster?

No More Secrets: a Small Town Love Story (the Pierce Brothers Book 1) Lucy Score, 2016-01-30 I can't wait anymore. His mouth claimed hers in a storm of heat and power. Carter Pierce is a man who believes in signs. He just doesn't know what to do with this one. In the small town of Blue Moon Bend, where everybody is a matchmaker, Carter wants to be left alone to tend the family farm. After returning from Afghanistan with scars, his only goal is recovery. He doesn't need any distractions, and definitely not one with silver-blond hair and lips that beg to be kissed. Summer Lentz is a journalist from the city sent to interview Carter and his family. She's out of place in the small town, with her designer wardrobe and workaholic lifestyle. She asks too many questions and doesn't take no for an answer, threatening to destroy the peace and balance that Carter has been working towards. She thwarts every attempt Carter makes to retreat back inside himself, somehow bringing him closer to being whole again. Summer has secrets of her own, but she never planned to open up to anyone - let alone the scowling, secretive farm owner whose story she's after. But as she gets drawn into the community, she starts to realize that she can't stay closed off forever. And what's more, she doesn't want to. As Carter and Summer grow closer, will they be able to push past the secrets that are holding both of them back?
