Robert Browning

The Next Thing You Know Jessica Strawser, 2022-03-22 A musician facing the untimely end of his career. An end-of-life doula with everything, and nothing, to lose. A Star Is Born meets Me Before You in this powerful novel by the author of A Million Reasons Why. Grab the tissues. - People Magazine As an end-of-life doula, Nova Huston's job—her calling, her purpose, her life—is to help terminally ill people make peace with their impending death. Unlike her business partner, who swears by her system of checklists, free-spirited Nova doesn't shy away from difficult clients: the ones who are heartbreakingly young, or prickly, or desperate for a caregiver or companion. When Mason Shaylor shows up at her door, Nova doesn't recognize him as the indie-favorite singer-songwriter who recently vanished from the public eye. She knows only what he's told her: That life as he knows it is over. His deteriorating condition makes playing his guitar physically impossible—as far as Mason is concerned, he might as well be dead already. Except he doesn't know how to say goodbye. Helping him is Nova's biggest challenge yet. She knows she should keep clients at arm's length. But she and Mason have more in common than anyone could guess... and meeting him might turn out to be the hardest, best thing that's ever happened to them both. Jessica Strawser's *The Next Thing You Know* is an emotional, resonant story about the power of human connection, love when you least expect it, hope against the odds, and what it really takes to live life with no regrets.

And the next Thing You Know . . . Chase Taylor Hackett, 2018-02-06 Not the one you're waiting for . . . Jeffrey Bornic is getting over his ex. Really. So what if the rising-star attorney is angrily sleeping his way through most of Manhattan's male population? When the time is right, the perfect partner will show up. And Jeffrey knows exactly what he'll be like: an ambitious, polished professional who'll make the ideal other half of a fabulous power couple. Theo McPherson is definitely not that guy. He's a short, fiery red-head who works in the arts and wears sneakers held together with duct tape. If it weren't for the fact that Theo is his best friend's little (literally) brother, Jeff would be crossing the street to avoid him. Theo, meanwhile, has nothing but contempt for guys in suits, and seems to have deliberately set out to make Jeff's life miserable, all while grinning at him in that exasperating—some might say irresistible—way that he has. At least it's hard for Jeff to keep moping over his ex when he's butting heads with Theo—and suddenly wondering if the last guy he'd ever fall for might be exactly that . . .

The Bad Decisions Playlist Michael Rubens,2016-08-02 Sixteen-year-old Austin is always messing up and then joking his way out of tough spots. The sudden appearance of his allegedly dead father, who happens to be the very-much-alive rock star Shane Tyler, stops him cold. Austin—a talented musician himself—is sucked into his newfound father’s alluring music-biz orbit, pulling his true love, Josephine, along with him. None of Austin’s previous bad decisions, resulting in broken instruments, broken hearts, and broken dreams, can top this one. Witty, audacious, and taking adolescence to the max, Austin is dragged kicking and screaming toward adulthood in this hilarious, heart-wrenching YA novel.

Natchez Burning + Bone Tree Bundle Greg Iles,2017-01-17 #1 New York Times bestselling author Greg Iles offers the first two novels in his bestselling Natchez Burning Trilogy in this special e-book bundle...and features a sneak peek at Mississippi Blood, the final book in the Natchez Burning trilogy” (available March 2017). NATCHEZ BURNING Growing up in the Southern hamlet of Natchez, Mississippi, Penn Cage learned everything he knows about honor and duty from his father, Tom Cage. But now the beloved family doctor and pillar of the community is accused of murdering Viola Turner, the beautiful nurse with whom he worked in the dark days of the early 1960s. A fighter who has always stood for justice, Penn is determined to save his father, even though Tom, stubbornly evoking doctor-patient privilege, refuses to speak up in his own defense. The quest for answers sends Penn deep into the past—into the heart of a conspiracy of greed and murder involving the Double Eagles, a vicious KKK crew headed by one of the wealthiest and most powerful men in the state. With the aid of a friend and reporter privy to some of Natchez's oldest secrets, Penn follows a bloody trail that stretches back forty years, to one undeniable fact: no one—black or white, young or old, brave or not—is ever truly safe.... THE BONE TREE Former prosecutor Penn Cage and his fiancée Caitlin Masters, have barely escaped with their lives after being attacked by wealthy businessman Brody Royal and his Double Eagles, a KKK splinter cell with ties to some of Mississippi’s most powerful men. But the real danger has only begun as FBI Special Agent John Kaiser warns Penn that Brody wasn’t the true leader of the

Double Eagles. The puppeteer who actually controls the terrorist group is a man far more fearsome: the chief of the state police's Criminal Investigations Bureau, Forrest Knox. The only way Penn can save his father, Dr. Tom Cage—who is fleeing a murder charge as well as corrupt cops bent on killing him—is either to make a devil's bargain with Knox or destroy him. While Penn desperately pursues both options, Caitlin uncovers the real story behind a series of unsolved civil rights murders that may hold the key to the Double Eagles' downfall. The trail leads her deep into the past, into the black backwaters of the Mississippi River, to a secret killing ground used by slave owners and the Klan for over two hundred years...a place of terrifying evil known only as "the bone tree."
