Read on to discover the awesome Biblical news that God loves you... because he loves all mankind! Discontinuity to Continuity Benjamin L. Merkle,2020-06-03 In Discontinuity to Continuity, Benjamin Merkle brings light to the debates between dispensational and covenantal theological systems. Thy Kingdom Come Harold L. Patterson,2008-12 Thy Kingdom Come is a panoramic overview of the present reign of Jesus Christ at the right hand of God the Father and of the future consummation of that reign. It presents three authoritative apostolic New Testament guidelines for the interpretation of the Old Testament prophecies. It fairly examines the three main positions on the millennium and offers scriptural conclusions that incorporate elements of truth from all three. Detailed expositions of the 110th Psalm and the book of Revelation are based on the apostolic guidelines. Harold Patterson was born in Portland, Oregon in 1920. In 1942 he was appointed as a Patrol Inspector in the Immigration Border Patrol, and was

assigned to work on the Mexican border in Southern California. His career as a Border Patrolman was interrupted by military service during WW II. During his military service he met and married Shirley Van Hamm in Denver, Colorado. In 1951 Harold and Shirley enrolled in BIOLA Bible College in Los Angeles. After graduation they accepted teaching positions in Taholah, Washington on the Quinault Indian Reservation. They remained in Taholah for 17 years and served the Indian community in various ways during that time. To upgrade his professional skills Harold earned the Bachelor of Education degree at Seattle Pacific University and the Master of Education degree at the University of Washington. In 1972 Mr. Patterson was appointed Associate Supervisor of Indian Education for the State of Washington, and served in that capacity for nine years. He also served as a lay minister and Bible teacher in various churches. In 1972 the Pattersons moved to a ranch at Brooklyn, Washington. Throughout the years Harold maintained a very close relationship with the Quinault people, and in 2005 he was adopted as an enrolled member of the Quinault Indian Nation.

Hindson,1991 Is global peace and prosperity really just around the corner, or should people take a more critical look at world events and lofty political promises? Ed Hindson analyzes the current world scene in light of Bible prophecy, from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace.
