*Complete Catalogue of Sheet Music and Musical Works published by the Board of Music Trade, etc* Board of Music Trade (UNITED STATES OF AMERICA),1870

**Confederate Sheet Music** E. Lawrence Abel,2015-06-14 During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, The South must not only fight her own battles but sing her own songs and dance to music composed by her own children. Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

**Early Broadway Sheet Music** Donald J. Stubblebine,2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

**The Sheet Music of George Gershwin** Thomas Inglis,Janice Grower,2007

**Sheet Music** Debbie Dillon,1990-05

**British Cinema Sheet Music** Donald J. Stubblebine,1997-07-07 Claiming that the 2450 entries cite all examples of the genre, provides the title of the film as it appears on the sheet music cover, studio, date of the film's release, main stars, song title, composers and lyricists, publisher, and a brief description of the cover. Listed alphabetically by movie title and indexed by song title and composer. Collecting sheet music is becoming increasingly popular, especially in the US. Annotation

**Presidential Sheet Music** Danny O. Crew,2001 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. The traditional librariansly cataloguing of music has ignored important aspects such as lyrical content and cover art, making it impossible to comprehensively locate and study items by subject matter. Presidential Sheet Music presents an exhaustive listing of presidential-related music in all printed forms, and provides information on each piece. Thus may we expand our understanding of political communication and discourse throughout American history. A sizable Introduction discusses matters from the publication in 1768 of The Liberty Song (which formally made music an instrument of political expression in America) to the few 1980s and 1990s presidential songs and marches. There are also helpful appendices which list music by titles, composers, publishers, and candidates.

Broadway Sheet Music Donald J. Stubblebine,1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.
