**Play it as it Lays** Joan Didion, 1973 A ruthless dissection of American life in the late 1960s, *Play It as It Lays* captures the mood of an entire generation, the ennui of contemporary society reflected in spare prose that blisters and haunts the reader. Set in a place beyond good and evil—literally in Hollywood, Las Vegas, and the barren wastes of the Mojave Desert, but figuratively in the landscape of an arid soul—it remains more than three decades after its original publication a profoundly disturbing novel, riveting in its exploration of a woman and a society in crisis and stunning in the still-startling intensity of its prose.

About the original book: Maria Wyeth Lang is a Beverly Hills-based actress who is 31 years old. Since her buddy BZ committed suicide approximately a month ago, she has been institutionalized at the University of California, Los Angeles' Neuropsychiatric unit. Maria has been requested to provide a detailed description of the circumstances that led to her emotional collapse by the physicians. She begins her story in Silver Wells, Nevada, a little town constructed atop a missile testing range that her father controlled. She moves to New York at the age of 18 to pursue a career as an actor, not because she is ambitious, but because her parents believe it is a good idea.

**Flip Sides** Klaus H. Schmidt,1995 A slim volume comprising seven contributions written expressly for this volume by young scholars and junior members of faculties at German and American universities who are at the beginning of their academic careers. The essays include studies of writers generally neglected in critical studies, e.g. Balduin Moollhausen, Elizabeth Barstow Stoddard, John Edgar Wideman, and Rolando Hinojosa; and the critical approaches and themes vary widely. **The Critical Response to Joan Didion** Sharon Felton,1994 Joan Didion is a major contemporary American novelist and journalist whose works have popular appeal and are widely studied from a variety of literary perspectives as well as for philosophical, psychological, and political insights into the times and topics with which they deal. This volume collects an extensive range of critical commentary, both reviews and scholarly examinations, including newly commissioned essays, covering the entire canon: four works of fiction and five of nonfiction published between 1963 and 1992. Individually, the

selections explore diverse critical approaches to Didion's canon; collectively, they establish a critical map that will serve as a guide to future scholarship. A substantive introduction assesses the canon and the critical reaction to it. Other features include a brief chronology of Didion's accomplishments, a bibliography, and contributors and subject indexes.

**Innocence, Loss, and Recovery in the Art of Joan Didion** Michelle Carbone Loris, 1989 The art of Joan Didion compels us to consider one essential question: What is the moral significance of our nation's mythic and historic quest for paradise in American culture today? The author's relentless exploration of this frontier leads through the wasteland of despair and chaos that she sees in modern America. Didion's steady gaze at the disorder provides her with the themes she needs for the stories she tells. Her stories are «Western» stories: they are about America's moral wilderness; her protagonists are women who pioneer their way through this territory and find the inner resources they need to survive the experience of their modern-day lives. Didion's achievement as a writer lies in her ability to use biblical images to tell her story of the wilderness. This technique challenges the reader to seek out not only the meaning of our individual experience, but also the significance of the American community poised between its original vision of order and purpose and its contemporary condition of breakdown and failure. Yet, Didion's bleak version of this frontier story is not without hope. From the broken images of despair and disorder emerges what, for Didion, is always the narrative force of her western story: «...the wilderness was and is redemptive.»
