Accompanying the political changes that Western trade ushered in were widespread social and cultural changes. Newspapers, novels, poems, and plays from the Western world were soon adapted and translated into Japanese. The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the

greatest literature of the modern age. **Historical Dictionary of Modern Japanese Literature and Theater** presents a broad perspective on the development and history of literature-narrative, poetry, and drama-in modern Japan. **The Poetry of Business Life** Ralph Windle, 1994 Love, death, religion, relationships-these subjects typically inspire collections of poetry. But business? Most people think of business and poetry as two separate and incompatible areas of life. In February 1991, Alan Farnham expressed this common belief when he wrote in *Fortune Magazine*, Not many people in business feel an urge to write verse about their work. Challenged by this statement, Ralph Windle began a three-year search for the poetry of business life-and found a profusion of verse exploring all aspects of business. The author's research revealed that not only is there a large body of business poetry in existence today, but business has been the subject of poems since the invention of the written word. The poems in this collection range from early agribusiness to the ever-present entrepreneur, merchant, banker, and-with the coming of the industrial age-the worker and manager; right up to twentieth-century concerns with global travel, technology, and the complexities of office life. Included are the works of more than seventy poets, and twice that many pieces. Young, unpublished business poets rub elbows with widely published contemporary writers such as James Autry, Harry Newman, and Dana Gioia, as well as some of the most distinguished names in poetic literature-including Shakespeare, Chaucer, Tennyson, and Kipling. With poems that cover a wide variety of topics and professions-from David Alpaugh's *A California Adman Celebrates His Art* to Richard Ellis Roberts' *Overheard at the Literary Party*; from Constance Alexander's *Outplacement Blues* to Bertie Ramsbottom's *Death By Merger*-this anthology offers something for every reader. In an age when most people spend the majority of their waking lives involved in some kind of business, it seems natural that poetry, which is the essence of human emotional records, would be affected by business concerns. Business, writes the

author, now touches all our lives and consumes, for ever growing numbers of us, our work, time, energies and passions. Yet few, it is supposed, could find inspiration in its banalities. The size and scope of *The Poetry of Business Life* easily prove this supposition wrong. Many contemporary business people write verse about their experiences-serious and humorous-as they seek an outlet for their creativity. Business people and their organizations mutually gain from this expression by sending signals to the world that human sensitivities are highly compatible with effective business performance. Humor, insight, sadness, wisdom, and anger are all represented in this unique collection and offer a dynamic, living picture to all people in organizations, their families, and the wider professions as well. Business speech-writers, too, will find in it a rich treasure-trove of choice quotations.

**A Paradise of Poets** Jerome Rothenberg, 1999 *A Paradise of Poets* is Jerome Rothenberg's tenth book of poetry to be published by New Directions, beginning with his *Poland/1931* (1974). In considering the title of his newest collection, he says: Writing poetry for me has always included an involvement with the life of poetry--& through that life an intensification, when it happened, of my involvement with the other life around me. In an earlier poem I spoke of this creating a paradise of poets ... I do not of course believe that such a paradise exists in any supernatural or mystical sense, but I have sometimes felt it come to life among my fellow poets and, even more, in writing--in the body of the poem. In Rothenberg's hands, the body of the poem is an extraordinarily malleable object. Collage, translation, even visual improvisation serve to open up his latest book to the presence of poets and artists he has known and to others, past and present, who he feels have somehow touched him, among them Nakahara Chuya, Jackson Mac Low, Pablo Picasso, Leonardo da Vinci, Federico Garcia Lorca, Kurt Schwitters, and Vitezslav Nezval. Kenneth Rexroth once commented: Jerome Rothenberg is one of our truly great American poets who has returned U.S. poetry to the mainstream of international modern literature. No one has dug deeper into the roots of poetry. With *A Paradise of Poets*, it is clear that this evaluation is as fresh today as it was twenty-five years ago.

**Swoon** Nada Gordon, Gary Sullivan, 2001 Culled from more than 5,000 pages of e-mail, *Swoon* is a true story of two writers who meet and fall in love over the internet. It is autobiography, poetry, literary essay and erotica all rolled into one. Revealing the tenacity of love, this correspondence takes place between Nada Gordon, an expatriate in Tokyo, and Gary Sullivan in New York, who finally meet in the real world with mixed reactions followed by a Hollywood ending. It is Heloise

and Abelard without the tragedy, the troubadours without inequality, and the Brownings without euphemism--all facilitated by the immediate intimacy of cybercommunication.
