**Colapso** Carlos Taibo, 2020-03-11 La discusión sobre un probable colapso general del sistema no tiene por ahora mayor presencia en nuestros medios de comunicación. Tampoco la tiene en el discurso de los responsables políticos, incluidos los que pasan por ser más innovadores y alternativos. Sí que se revela, en cambio, en la literatura y en el cine, en el buen entendido de que esa presencia remite antes al ocio y a la diversión que al propósito de articular al respecto una reflexión crítica. En Colapso se sopesa el concepto que da título al libro, se analizan las presuntas causas del fenómeno —entre ellas, en lugar principal, el cambio climático y el agotamiento de las materias primas energéticas— y se estudian los rasgos previsibles de la sociedad poscolapsista. Pero se presta atención, también, a dos respuestas distintas ante el hundimiento general del sistema: la propia de los movimientos por la transición ecosocial y la característica del ecofascismo. En relación con los primeros se defiende un horizonte que, de la mano de una combinación de elementos precapitalistas y anticapitalistas, se ve marcado por verbos como decrecer, desurbanizar, destecnologizar, despatriarcalizar, descolonizar y descomplejizar. Colapso, que llega a su cuarta edición, es un manual útil para moverse en un debate que se antoja cada vez más urgente. La obra ha sido publicada también en Argentina, Brasil, Chile, México y Portugal.

*Royal Marines - Tomo 1* Arria Romano, 2025-11-21 Un romance militar de segunda oportunidad lleno de acción y giros inesperados. Teniente de los Royal Marines, Roy McKenna lleva una vida disciplinada hasta que su mejor amigo le encarga

una misión muy personal: cuidar de su hermana, Ophelia Nicholson, famosa autora de fantasía medieval, devastada por el suicidio de su mejor amiga. En la salvaje isla de Skye, el entorno romántico y aislado reaviva una antigua atracción entre Roy y Ophelia. A pesar de sus reticencias, la pasión florece, intensa y secreta. Pero su frágil felicidad se ve amenazada cuando Ophelia es secuestrada en el Mediterráneo, sumiendo a Roy en una carrera contrarreloj para rescatarla. Desde Escocia hasta las costas españolas, entre secretos, lealtades familiares y los impulsos del corazón, deberán enfrentarse a mucho más que a su pasado: a sus propios sentimientos. Un romance #AmorProhibido & #Guardaespaldas apasionante. Escenario cautivador: la isla de Skye en el Mediterráneo. Un héroe conmovedor y atormentado: un soldado leal y apasionado por la cocina. Una heroína fuerte: una escritora brillante en busca de un nuevo comienzo. Acción, emoción y sensualidad en el corazón de una trama trepidante. Royal Marines – Deponer las armas es el primer tomo de una duología adictiva que combina pasión prohibida, tensión emocional y emociones intensas. ACERCA DE LA AUTORA Arria Romano es una autora de romances contemporáneos e históricos. Estudió historia militar en la Sorbona y es apasionada de la literatura y el arte. Su misión: ofrecer a sus lectores esperanza y amor a través de sus historias y personajes. Es autora de varios bestsellers, incluida la saga US Marines.
