What readers have said: This is a refreshing and heartwarming romance with vulnerable and adorable [characters] that will just make you melt with all the fun and sassy moments as they journey towards unconditional love and understanding. [review] from a Kindle Customer. A heartfelt wake up call to not let yourselves get busy in life with jobs, kids, etc. and find yourselves drifted apart, and strangers a far cry from who you were when you fell in love. A beautiful love story of love resurrected and fealty and putting family first, when most authors would have had a quick divorce dialogue and then the main event as a new character after the finalization. I am so very appreciative. [review] from Michaela There are plenty of emotions to go through with Jenna and Dave and you get both sides but the best thing about this story is it is about falling back in love with the love of your life and remembering what they once were and what they can be again.
