

The Man Inside Me Tobias Funke

Paul Rogers

Friends, Lovers, Co-Workers, and Community Mary Erickson, Kathleen M. Ryan, Noah J. Springer, Deborah A. Macey, 2016-05-26 Friends, Lovers, Co-Workers, and Community analyzes how television narratives form the first decade of the twenty-first century are powerful socializing agents which both define and limit the types of acceptable interpersonal relationships between co-workers, friends, romantic partners, family members, communities, and nations. This book is written by a diverse group of scholars who used a variety of methodological and theoretical approaches to interrogate the ways through which television molds our vision of ourselves as individuals, ourselves as in relationships with others, and ourselves as a part of the world. This book will appeal to scholars of communication studies, cultural studies, media studies, and popular culture studies.

Arrested Development and Philosophy Kristopher G. Phillips, J. Jeremy Wisniewski, 2011-12-20 ARRESTED DEVELOPMENT AND PHILOSOPHY Is George Michael's crush on his cousin unnatural? Is it immoral for Lindsay to lie about stealing clothes to hide her job? Is Gob better off living his life in bad faith? What inferences can we draw from Tobias's double-entendres? Are the pictures really of bunkers or balls? The Bluth family's faults, foibles, and character flaws are so excruciatingly familiar that we squirm in painful recognition of the outrageous impulses that we all have but would never act on. The Bluths seem utterly unaware of the gaping distance between their behavior and accepted social norms. Lurking behind this craziness are large moral and philosophical issues to be explored. From Plato to Aristotle, from Descartes to Marx, Arrested Development and Philosophy draws from great philosophical minds to shed new light on the show's key questions and captivating themes, including the nature of self-knowledge and happiness, business ethics and capitalist alienation, social class, the role of error in character development, and much more.

Time, 2009-04

Frank Leslie's Illustrated Newspaper John Albert Sleicher, 1883

Name That Show Paul Rogers, 2017-09-05 It's never been easier to discover and binge on new and classic TV shows, and never before have so many great series been available on screens large and small. This entertaining puzzle book by the author of Name That Movie celebrates the current golden age of television viewership with wit and style. Celebrated illustrator Paul Rogers tests readers' visual knowledge to identify each of 100 series through a sequence of six line drawings

depicting places, vehicles, objects, and even fashion details ranging from the obscure to the iconic. Complete with answer key and index, this ebook is as fun to play solo as it is with fellow TV fans.
