**Lingjun Ying**

*The Summer of Bitter and Sweet* Jen Ferguson, 2022-05-10 In this complex and emotionally resonant novel about a Métis girl living on the Canadian prairies, debut author Jen Ferguson serves up a powerful story about rage, secrets, and all the spectrums that make up a person—and the sweetness that can still live alongside the bitterest truth. A William C. Morris Award Honor Book and a Stonewall Award Honor Book! Lou has enough confusion in front of her this summer. She'll be working in her family's ice-cream shack with her newly ex-boyfriend—whose kisses never made her feel desire, only discomfort—and her former best friend, King, who is back in their Canadian prairie town after disappearing three years ago without a word. But when she gets a letter from her biological father—a man she hoped would stay behind bars for the rest of his life—Lou immediately knows that she cannot meet him, no matter how much he insists. While King's friendship makes Lou feel safer and warmer than she would have thought possible, when her family's business comes under threat, she soon realizes that she can't ignore her father forever. The Heartdrum imprint centers a wide range of intertribal voices, visions, and stories while welcoming all young readers, with an emphasis on the present and future of Indian Country and on the strength of young Native heroes. In partnership with We Need Diverse Books.

**Bittersweet** Elsie Woodley, 1930

Bittersweet Summer Rachel Wilson, 1999 Genevieve couldn't leave the new owner of Crowfoot Castle -- the handsome, arrogant Tobias Rakes -- at the mercy of the castle's ghost. So she applied for the job as housekeeper. But this lovely young woman was about to be swept away by unseen forces -- a dangerous enemy, a love that struck as quickly as summer lightning, and perhaps some help from beyond...

**Blue Bayou Days-The Summer of 61** G. Artie Whitlow,2000-09-21 “The Summer of 61” was the title of a song sung by the Boss himself, Bruce Springstein. Now it is the title of a book written by an author in the Blue Bayou Country of Baton Rouge, Louisiana. If you want a murder mystery don't read this book. However, if you like the mysteries of life this is the book for you. Did Skeeter ever marry his childhood sweetheart? This is a true to life love story not only between friends and family but of the love of life itself. The “Summer of 61” is just that, a summer in a boys life. A summer filled with the dreams, the hopes, and all the anticipations of a young lad envisioning his future. It is also a reflection, under those marshmallow skies of Louisiana through kaleidoscope eyes of an earlier life. The novel is stimulating, interesting, mixture of fact and fiction about dreams that never did quiet make it to reality. To me it was also a self-help book. It will make you snicker, bring a tear to your eye, and perhaps a wake-up call to reality. Reading this book gave me the opportunity to know the author just a little bit better. It also made me realize that today my dreams in life have changed. Where once I dreamed of becoming an award winning Journalist, today I dream of making a 2,000-mile trip to throw my arms around my son's neck and to make some memories with my grandchildren. I don't live in Louisiana. I live in Canada. The book shows that no matter who we are or where we live, we are so similar and so are our needs. The novel is about family, love, life, and dreams. You can't read “The Summer of 61” without being changed. Linda Shirley- Canada

*The Summer Place* Jennifer Weiner,2022-05-10 INSTANT NEW YORK TIMES BESTSELLER From the #1 New York Times bestselling author of That Summer comes another “must-have” (USA TODAY) beach read about family, secrets, and the ties that bind. When her twenty-two-year-old stepdaughter announces her engagement to her pandemic boyfriend, Sarah

Danhauser is shocked. But headstrong Ruby has already set a date (just three months away!) and spoken to her beloved safta, Sarah's mother Veronica, about having the wedding at the family's beach house in Cape Cod. Sarah might be worried, but Veronica is thrilled to be bringing the family together one last time before putting the big house on the market. But the road to a wedding day usually comes with a few bumps. Ruby has always known exactly what she wants, but as the wedding date approaches, she finds herself grappling with the wounds left by the mother who walked out when she was a baby. Veronica ends up facing unexpected news and must revisit the choices she made long ago. Sarah's twin brother, Sam, is recovering from a terrible loss, and confronting big questions about who he is—questions he hopes to resolve during his stay on the Cape. Sarah's husband, Eli, who's been inexplicably distant during the pandemic, confronts the consequences of a long ago lapse from his typical good-guy behavior. And Sarah, frustrated by her husband, concerned about her stepdaughter, and worn out by the challenges of the quarantine, faces the alluring reappearance of someone from her past and a life that could have been. When the wedding day arrives, lovers are revealed as their true selves, misunderstandings take on a life of their own, and secrets come to light. There are confrontations and revelations that will touch each member of the extended family, ensuring that nothing will ever be the same in "this first-rate page-turner" (Publishers Weekly) that will whisk you to the charming beaches of Cape Cod.
