**Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity** Jonathan Ramachandran, 2019-01-01

Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St. Augustine of Hippo's infamous quote in that even he didn't call them as heretics but soft hearted Christians who did not deny Holy Scripture. A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council. For protestants, please take note that both St. Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria. Therefore, just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine. In light of this, we discuss various viewpoints, quotes by Church Fathers and Ancient Christian Writings in support of this Hope. Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences, nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism Hopefuls itself. An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St. Hillary of Poitiers, the Champion of Trinity in the West and a set of interesting quotes likewise by St. Ignatius of Antioch who was a direct disciple if St. John the Apostle of Christ himself. We see traces of such an understanding in a quote by St. Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St. Ireneous of Lyons has a few interesting quotes especially those that relate to the Concept of Ages/Aeons/Olam to come where in a particular instance, St. Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness. Just like God of Abraham does not limit God to Abraham only, the phrase God's Glory to the Age/Aeon/Olam (singular) need not limit God's Glory to one Age only but may be highlighting it for that Age (unknown long time period). We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way. One Day we will know and all things are possible with God Who Alone Decides. Peace to you.

*The Book of the Tree of Life* Theresa Lorraine,2025-04-07 The Book of the Tree of Life is an exploration of the deepest spiritual truths found in religious mysticism: the nature of God, Self and the spiritual path. In a friendly and heartwarming conversation, Theresa Lorraine draws a string of truth through three intersecting points of world religions: the nature of God, the nature of Enlightenment, and the archetype of the Tree of Life. She includes commentary on the spiritual practice of

Kabbalah, Sufism, Hinduism, Buddhism, Christianity and more. The Tree of Life is a powerful spiritual symbol that exists in the framework of every religion in the world, from smaller indigenous belief systems to world religions such as Christianity and Buddhism. In Jungian Psychology, this sacred Tree is the archetypal symbol for God that resides within our collective unconscious. It symbolizes the nature of God, Enlightenment, the evolution of the soul, and becomes a metaphor for all of Creation. Perhaps more significantly, this universal archetype indicates that mankind's spiritual nature is embedded within our unconscious mind. The Tree of Life has been referenced by every major saint, prophet, illumined soul and avatar since before Christ, before Ibn Arabi, before The Tao, before the Buddha or the Bhagavad Gita. All the great spiritual teachers have seen the Tree of Life. They dwell within It, and It dwells within them. The Tree of Life is God, and God resides within your heart, as Love. Let us explore the intersecting harmony of all religions through the archetypal symbol of the Tree of Life.

*Book of 1Enoch - Christ Centered Universalism Mystery - Essays in First Christianity* Jonathan Ramachandran, 2020-01-01  
Book of 1Enoch is the one which is quoted word for word by Apostle Jude in the Bible. There are other types of Enoch labelled today as 2Enoch etc. which are different. Many of the earlier fathers of the Church such as St. Justin Martyr, St. Ireneus of Lyons, St. Clement of Alexandria, Tertullian, Origen of Alexandria and even the Epistle of Barnabas considered this Book of 1Enoch as Scripture. Till today, some Churches consider this Book as part of the Biblical Canon. In this Book, we explore an interesting prophecy in Chapter 50 (of a well known translation of this book) which may speak of a Christ Centered Universalism Hope in some way. In support of that exegesis, we look at a few possibly related Bible Verses and even other similar First Christianity Writings which may help us understand this Prophecy better. Since it's not in one of the 66 Books of the Bible, we don't explicitly teach it as a 100% certain doctrine but view it as a possibility. This does not mean that the Prophecy is probabilistic but rather that we don't know for sure. Only God knows but studying these First Christianity Orthodox writings gives an insight to such a rarely known Hope within Christianity. Peace to you.
