When the Extraterrestrials Attack the Book of the Seven Seals Will Be Opened Danny Snapp,2020-03-02
Humanity has lost sight of who God really is. The original teaching came out of Greece and Rome two thousand years ago, and the ministers, believing this is the truth, have been teaching this for generations. These teachings have turned to fables. This book explains who God is and His two hundred and one thousand, and He is going to attack Earth and conquer it in one year, one month, one day, and one hour. Humanity has become engrossed in the sins of abomination. God is going to cleanse the earth of all sin It is also explained how Armageddon will take place because of America, which will bring down the wrath of God. This event is just around the corner; sooner than humanity thinks. Those who live in the sins of abomination will all be destroyed.
