The Washing Line - Extended Edition Ben Pathen,Michael Bent,2021-07-02 AB Discovery is proud to present the revised

and extended edition of the classic ABDL book - The Washing Line. More characters, more action and more... nappies and plastic pants! Young Benjamin often rode past the house and saw nappies and plastic baby pants hung up on the clothesline out back. They called to him and he dreamed about them. Finally, he had to touch them and then, to take some. He was a teenager now and surely should know better, but the deep desires of his heart and loins called to the plastic pants and so he stole one. But he was caught... Now he had to spill the deep secret of his heart. He wanted to be a baby again. How would Miss Goodwin - his former teacher - react to that embarrassing admission? It was not his first time, not by far. We read about how Benjamin started off with his fetish for plastic pants and nappies and the characters that helped him. We also meet some new characters and we see if the Washing Line still has a place to entice and entrap young boys and men who crave the tightness of nappies and the slippery feel of plastic pants. We hear of David and James. We learn of baby Millie and Benjamin's Aunt and the roles they played in his upbringing. And we see the possibilities of the future as baby Jerry enters the back garden of Sally Goodwin and a new generation of babies is about to arrive...
