Monette Michaels

"The Trent Otter" on Coarse Fish Angling John Martin, 1908

Autumn's Fear Mary Stone, 2020-11-28 Don't fear the dark. It's the light that blinds...and kills. Forensic and criminal psychologist Dr. Autumn Trent is trying to find her groove in her transition to the FBI Behavioral Analysis Unit. But can her soft heart continue to take a beating? Will her impulsive spirit continue to get her in trouble? Probably. Using her connections, she begins the search for the sister she hasn't seen since they were both girls. And gets a hit in the Sunshine State. It's kismet when she's called out on a case with the team-pregnant women are disappearing in Lavender Lake, Florida. The only clue to their fate has come in the form of a single hand...recovered from swamplands heavily populated with hungry gators. The perfect dumping ground for a killer. A cold-blooded monster is on a holy mission to spread his light into the dark world...but how do you track a criminal who makes sure all evidence is eaten? Autumn's Fear, the third book in Mary Stone's Autumn Trent Series, is a riveting psychological murder thriller that will leave you scared of the light. Scroll up to one-click your copy today!

Trent Tinker, Magic Man Robert L. Collins, 2025-02-06 This short story collection focuses on a spell-caster named Trent. Rather than use magic for adventuring, he uses his talent (and his clever mind) to create inventions and solve problems. Follow Trent as he rises in his kingdom and the world as a magical tinkerer. This collection contains 11 short stories.

Autumn's Rage Mary Stone, 2021-01-20 Revenge has no deadline...and endless rage. Dr. Autumn Trent returns to Virginia after successfully assisting the FBI's Behavioral Analysis Unit yet again. Part of her heart remains in Florida with her long-lost sister whose trail has evaporated, but she moves forward to focus on her work as a forensic and criminal psychologist. Intent on doing just that, she heads to Virginia State Hospital, where the prodigy of The Preacher awaits her return. Justin Black becomes the least of her worries when a new case practically falls in Autumn's lap. Murder has its grip on the mental institution, and all signs point toward one suspect. Even though the case appears to solve itself, Autumn thinks the team is being led astray. Uncovering the truth is only half of Autumn's battle. She must first catch the killer before the killer catches her. Autumn's Rage, the fourth book in Mary Stone's Autumn Trent Series, is a topsy-turvy ride through twisted criminal minds that will take your breath away. Scroll up to grab your copy today!

Earth Awakened Monette Michaels, 2022-02-15 The Terran Realm—a world where the Terrans, a species as old as time, secretly coexist in harmony with humans. Their elemental abilities and collective memories are what keeps the world in balance. Or at least until greed for power enters the mix. On a dig in southwestern Indiana, Earth Keeper Lily Redfern, a dedicated scientist and unworldly young Terran woman, is the chosen Earth Talisman. Struggling to stop an earthquake that threatens to split North America in half, she gets help from Carr Madoc, the Protector-Consort destined to guard her and supply her with his strength. In New York State, Algernon Brody plots to create chaos in the world for his and his Destroyer friends' financial gain. The earthquake in Indiana was only the beginning. His Air Keeper wife, and soon-to-be Air Talisman, Autumn hates him for killing her parents and abusing her. Trent Steed, Brody's half-human/half-Terran aide, loves Autumn and will do anything to get her away from the vile Destroyer. What Brody does not know is his act of greed will unbalance Earth and trigger the beginning of end times. Can the two Talisman couples restore balance, or will Brody's foul acts signal the end of all life on Earth? This is a re-release. The book has been gently edited; the plot and characters are basically the same as the earlier edition.

Autumn's Chaos Mary Stone, 2021-06-03 Guilt is a powerful motivator... Less than twenty-four hours after yet another near-death experience, forensic and criminal psychologist Dr. Autumn Trent should be resting and recovering, not back at work. But she has no choice. Her best friend, Special Agent Winter Black, is missing. So is Winter's baby brother, Justin...a brutal serial killer. To make matters worse, Autumn feels responsible for Winter's disappearance. Plagued by guilt and haunted by the memory of her little brother before he was kidnapped and groomed by The Preacher, Autumn knows that Winter would do anything for Justin. She should have stopped Winter from visiting her brother in the maximum-security treatment program for the criminally insane so soon after his capture. Could Winter have helped him escape? Or is she his next victim? Now, Autumn must put aside her guilt to focus on the only thing that matters. They have to find Winter...before it's too late. *Autumn's Chaos*, the bone-chilling fifth book in Mary Stone's Autumn Trent Series, is a breakneck race for survival, where forgiveness is deadly and timing is everything. Autumn's Prize Mary Stone, 2021 Not all prizes are gifts... Special Agent Dr. Autumn Trent is relishing the moments after waking up next to Aiden Parrish when their romantic Sunday morning is cut short by a call from a friend. His niece has disappeared...along with two other teens in a picture-perfect Connecticut community in a case that's as perplexing as it is concerning. The teens are all strong students with privileged upbringings on the verge of graduating high school. Who would want to hurt them? And why? More importantly...who's next? As the investigation expands, it soon becomes clear that there's more going on in the seemingly idyllic town than anyone realizes—something loathsome and depraved—and the kids of those involved are paying the price for a prize none of them wanted. When the puppeteer behind the scenes ups the ante, the situation grows deadly. How many will die before Autumn and the team take him down? *Autumn's Prize*, the eighth book in

Mary Stone's Autumn Trent Series, is a gripping and suspenseful peek into depravity that will make you think twice about accepting gifts.

Knots, Gnarl and Rough Bark Dushyant Rajan, 2009-03 How well do immigrants from other countries adjust in the United States after emigration? What talents and gifts do they bring to their adopted country? Is their life in their adopted country much different from what it would have been had they remained in their native country? In this collection of essays, author Dushyant Rajan examines his life growing up in India in a military household with all the benefits of an upper-middle-class upbringing in post-colonial India. The essays describe Rajan's quest for heroic solutions to life's everyday problems, the compelling forces which obstruct him in his mission, his conclusions and resignations, and the beginning of a fondness for the life he left in India. **Knots, Gnarl and Rough Bark** includes stories about the influence of important figures in his life: his maternal grandfather, Nana, an avowed Anglophile; his father, an officer in the Royal Air Force and the Indian Army from which he retired as an artillery Brigadier; and his mother, the Brigadier's wife. Colorful and insightful, these essays provide a broad world view from the eyes of this intrepid author who concludes that whether in the United States or in India, life presents the same blessings and curses.
