[Christmas Piano Songs for Kids](#) Monty Webb, 2021-11-27 The BEST Christmas Gift for Tiny Aspiring Pianists! Do you have a little one at home who just loves to mess around with the Piano? Maybe they are just dying to play along to their favorite Christmas songs but are put off by all the complicated sheet music and boring teaching methods? Well, you've certainly come to the right place. Our Christmas songbook is just perfect for kids of all ages, even if they have absolutely zero prior experience before playing the piano. You see, every song in this book has only the most basic notation (which is perfect for complete beginners) with all the letters clearly written above each note - so they won't get bogged down with memorizing all the notes first. PLUS all the songs have the lyrics clearly written beneath them, so your little ones can sing their hearts out to all their favorite songs. But maybe you can't remember exactly what all the symbols mean? Hmm, what was that squiggle again?? Don't worry! We've got you covered. You and your kids will love reading through our crash course to learn piano with our special bonus section at the beginning of the book. It's kid-friendly & fun. Watch their face light up as they effortlessly soak up everything they need to know to then go on and play EVERY song in the book. It's that easy. Take a look for yourself, it's perfect for everyone to have a tinkle with (but be careful - it gets addictive!) Inside you'll find: □ Simple Sheet Music for 30 Christmas Classics (Jingle Bells, Silent Night, Away in a Manger, Hark! The Herald Angels Sing, The First Noel, We Wish You a Merry Christmas, O Christmas Tree, the list goes on...) □ FREE MP3 Files for every song - listen before you play. It makes the learning process all the more easier. □ ALL songs have easy-to-read notation, with labeled notes & clear fonts (great for kids). □ A BONUS Crash Course for Beginners, teaching everything from basic rhythm to some very clever tricks for knowing what each note is on the piano (hint, it involves a cute dog.) □ Compose Your Own Music! This section at the end gives your child the unique opportunity to let their creativity run wild, and write their own Christmas carols. □ No more floppy books! Don't you just hate it when your book keeps falling off the piano stand? They constantly flop all over the place and drive us all crazy! For this reason, we've added extra-large margins and dotted lines to allow your kids to have fun cutting out their favorite pieces to lay out on the piano stand whilst they play. This means no more frantic turning of pages, no more squinting to see what the notes are near the spine of the book. Just effortless reading - 100% enjoyment of the piano music, without any of the hassle. You see, reading sheet music is kinda like learning another language. It takes time and effort. That's why this book does it in the most fun and easy way possible - through learning Christmas songs! It's the ideal

book for young kids and complete beginners to get started with. So what are you waiting for? This book'll make the perfect Christmas gift for your little ones - we know they'll absolutely love it! It's made with love and care (and a whole load of fun!). So scroll up and Buy Now!

Christmas Carols for Piano. Beginner Christmas Sheet Music Book for Kids and Adults (+Free Audio) Christina Levante,2022-09-05 Every beginning is difficult ... Do you also have the feeling that most Christmas piano sheet music for beginners is still too difficult to play? One of the biggest mistakes you can make when you start learning the piano is trying to play difficult pieces too soon. It could take you too long to master a piece, which can quickly cause you to lose your motivation to play the piano. That is why many beginners give up after only a short time. So, to keep at it, it is important that your piano songs are adapted perfectly to your needs. In this book you will find a diverse collection of 45 easy Christmas songs for beginners - for both kids and adult students - that show letters (note names), numbers (fingerings), and lyrics. In this book, you will get: 45 EASY CHRISTMAS SONGS FOR BEGINNERS - All songs have been arranged especially for beginning students. This means that all complex chords and rhythms have been simplified. Also, all the carols are kept relatively short, only one or two pages long. This will allow you to enter the magic world of piano without frustration. INTERNATIONAL CHRISTMAS SONGS - In this book you will find many well-known Christmas carols and holiday songs, as well as some international songs famous in non-English speaking countries. This varied selection of easy sheet music will fuel your enjoyment when practicing the piano. FROM EASIEST TO HARDEST - Are you tired of searching for piano pieces with

the appropriate difficulty? At the beginning of this book, you will find very simple songs, and then they gradually get more challenging as the book progresses. This will keep you motivated and enable you to progress through the levels. WITH LETTERS AND NUMBERS - All songs in this book are presented with letters above the music notes to help you know what keys to press. All songs also include finger placements (numbers) in problem areas. LARGE PRINT - Most music notes for beginners are pretty small, so learners struggle to read them without squinting. To avoid this, all songs in this book have a clear layout and large print for students to follow the pieces easily. NOTES FOR BOTH HANDS - Most easy piano pieces for beginners have notes for practicing one hand only. The proper technique, however, is playing with all fingers and both hands. That's why all pieces in this book are in both treble and bass clef (i.e., both right and left hand). BONUS: FREE AUDIO FILES TO DOWNLOAD - Do you want to get an idea of what a piece should sound like? If you are unsure how to play a piece, our audio files will help you get a feel for the melody. Buy this book NOW and enter the splendid world of piano and music! Ideal also as a wonderful birthday present or Christmas gift.
