

Book By David Duchovny

Michele Hyde

The Reservoir David Duchovny, 2022-06-29 A former Wall Street veteran, quarantined by the coronavirus, becomes consumed with madness--or the fulfillment of his own mythic fate The Reservoir follows an unexceptional man in an exceptional time. We see our present-day pandemic world and New York City through the eyes of a former Wall Street veteran, Ridley, as he, in his enforced quarantined solitude, looks back upon his life. He examines his wins, his failures, the gnawing questions--his career, his divorce, his estranged daughter--and wonders what it all means and who he really is. Sitting and brooding night after night, gazing out his huge picture window high above the Central Park Reservoir, Ridley spots a flashing light in an apartment across the park as if a lonely quarantined person is signaling him in Morse code. His determination to find out who this mystery woman is, this fellow quarantine damsel in distress trapped in her own Fifth Avenue tower, leads him on an epic quest that will ultimately tempt him with either delusional madness or the fulfillment of his own mythic fate. Is he a dying man going mad or an everyman metamorphosing into a hero? Or both? We accompany Ridley as he leaves the safety of his apartment window to save the Fifth Avenue femme fatale and descends into a dangerous, increasingly surreal world of global conspiracies, madness, and sickness of this viral time; beyond that, into the enduring mysteries of love and fatherhood; and deeper still, into the bedrock mystery of life itself. As Ridley's actions grow more and more uncharacteristic, he realizes the key to all the mysteries of now, and even all of history, seem to lie deep beneath the freezing waters of the reservoir. The Reservoir is a twisted rom-com for our distanced time, when the merest touch could kill and conspiracy theories propagate like viruses--a contemporary union of Death in Venice, Rear Window, and The Plague.

Holy Cow David Duchovny, 2015-02-03 A humorous allegory in the spirit of Animal Farm.-- Provided by publisher.

About Time David Duchovny, 2025-09-02 From acclaimed author, actor, and singer-songwriter David Duchovny, a deeply personal, existential, and insightful debut poetry collection DAVID DUCHOVNY'S SEVENTH PUBLISHED—AND FIRST POETIC—WORK covers a range of intimate themes and topics, including love, the loss of love, parenting, Duchovny's own parents (in particular his father, who looms large throughout the work), alienation, and other emotional quandaries. Fans of Duchovny's fiction will recognize the insightful and clever play of words that, in this new form, distill to an emotionally impactful portrayal of what the author holds most dear. Duchovny's approach to poetry is beautifully (and, typically, humorously) encapsulated in his introduction to the work, in which he writes: Poetry is not useful. And that is exactly why we

need it. It reminds us of two important things: our ultimate lack of agency (unpopular to say, I know) and our inability to say anything plain, our inability to capture what it means to be human with the imperfect tool of words; we come face-to-face with our shadow selves, for in the end we will all die and be forgotten, and come away with nothing, nothing in the way of utility anyway, no talking points, no bullet points, no propaganda, no resolutions, no policy, no knowledge. If anything, maybe we remember a few lines . . . something like a pop song from the collective unconscious, something like wisdom. You see, I wanted to say it plain, but out comes that torrent of modifiers and adjustments, denials, double negatives, shading, stabs at wit, backpedaling, playing at capturing the lightning. Maybe this time. Maybe that's what a poem is—that glorious feeling of Maybe this time I'll get it right. If that's the case, it seems a worthy enterprise to me. You see, I got somewhere, but the way back is unclear—that's a good enough definition of poetry for now. No, it's not. Duchovny's efforts at achieving such clarity range in this collection from laser-sharp, single-sentence poems to emotionally sweeping ruminations. With *About Time*—perhaps his most personal work to date—Duchovny continues his journey as one of the most prolific creators of his generation. Front cover photo © Stefan Sappert

Truly Like Lightning David Duchovny, 2025-10-16 From the New York Times-bestselling author David Duchovny, an epic adventure that asks how we make sense of right and wrong in a world of extremes For the past twenty years, Bronson Powers, former Hollywood stuntman and converted Mormon, has been homesteading deep in the uninhabited desert outside Joshua Tree with his three wives and ten children. Bronson and his wives, Yalulah, Mary, and Jackie, have been raising their family away from the corruption and evil of the modern world. Their insular existence—controversial, difficult, but Edenic—is upended when the ambitious young developer Maya Abbadessa stumbles upon their land. Hoping to make a profit, she crafts a wager with the family that sets in motion a deadly chain of events. Maya, threatening to report the family to social services, convinces them to enter three of their children into a nearby public school. Bronson and his wives agree that if Maya can prove that the kids do better in town than in their desert oasis, they will sell her a chunk of their priceless plot of land. Suddenly confronted with all the complications of the twenty-first century that they tried to keep out of their lives, the Powerses must reckon with their lifestyle as they try to save it. *Truly Like Lightning*, David Duchovny's fourth novel, is a heartbreaking meditation on family, religion, sex, greed, human nature, and the vanishing environment of an ancient desert.

Bucky F*cking Dent David Duchovny, 2016-04-05 The New York Times bestselling author David Duchovny is back with *Bucky F*cking Dent*, a singular tale that brims with the mirth, poignancy, and profound solitude of modern life. Ted Fullilove, aka Mr. Peanut, is not like other Ivy League grads. He shares an apartment with Goldberg, his beloved battery-operated fish, sleeps on a bed littered with yellow legal pads penned with what he hopes will be the next great American Novel, and spends the waning days of the Carter administration at Yankee Stadium, waxing poetic while slinging peanuts to pay the rent. When Ted hears the news that his estranged father, Marty, is dying of lung cancer, he immediately moves back into his childhood

home, where a whirlwind of revelations ensues. The browbeating absentee father of Ted's youth tries to make up for lost time, but his health dips drastically whenever his beloved Red Sox lose. And so, with help from Mariana—the Nuyorican grief counselor with whom Ted promptly falls in love—and a crew of neighborhood old-timers, Ted orchestrates the illusion of a Boston winning streak, enabling Marty and the Red Sox to reverse the Curse of the Bambino and cruise their way to World Series victory. Well, sort of. David Duchovny's richly drawn Bucky F*cking Dent explores the bonds between fathers and sons and the age-old rivalry between Yankee fans and the Fenway faithful, and grapples with our urgent need to persevere—and risk everything—in the name of love. Culminating in that fateful moment in October of '78 when the mighty Bucky Dent hit his way into baseball history with the unlikeliest of home runs, this tender, insightful, and hilarious novel demonstrates how life truly belongs to the losers, and that the long shots are the ones worth betting on.

Miss Subways David Duchovny, 2018-05-01 The X-Files star and New York Times–bestselling author delivers “a spooky domestic drama that is equal parts Nick Hornby and Neil Gaiman” (Kirkus Reviews). Emer is just a woman living in New York City who takes the subway, buys ice cream from the bodega on the corner, has writerly aspirations, and lives with her boyfriend, Con. But is this life she lives the only path she's on? Taking inspiration from the Irish myth of Emer and Cuchulain and featuring an all-star cast of mythical figures from all over the world, David Duchovny's darkly funny fantasy novel *Miss Subways* is one woman's trippy, mystical journey down parallel tracks of time and love. On the way, Emer will battle natural and supernatural forces to find her true voice, power, and destiny. A fairy tale of love lost and regained, *Miss Subways* is also a love letter to the city that enchants us all: New York. “*Miss Subways* is a charming and wildly inventive comic novel—fantastical and sardonic; rich in myth, literature, philosophy and satire. David Duchovny has such love for his title character and for her New York that the affection fairly rumbles beneath the book's riotous surface.” —Jess Walter, #1 New York Times–bestselling author of *Beautiful Ruins* “David Duchovny's *Miss Subways* is a marvelous, riveting novel on the mystical nature of love. In it, a scarred, unlikely girl becomes a teacher in all meanings of the word. You want to cheer when she takes charge of her destiny. Unputdownable!” —Mary Karr, New York Times–bestselling author of *The Liar's Club*

Kepler David Duchovny, Phillip Sevy, 2022-12-27 An allegorical sci-fi thriller in the tradition of *Planet of the Apes*! The graphic novel debut of critically-acclaimed actor, author and musician David Duchovny! When the Benadem, benevolent space gods, return to KEPLER, a planet where homo sapiens went extinct and all other hominid species thrived, their arrival threatens to plunge the world into chaos. West, a 16-year-old Neanderthal girl, is thrust into the conflict and is the only hope to prevent extinction. Her efforts, unique because of her mixed hominid heritage, not only change her life, but also reveal the merciless ambition and identity of the gods themselves. In the tradition of *Planet of the Apes*, KEPLER is an allegorical thriller of environmental disaster, colonialism, religion, history, and adolescence told through the eyes of a lonely outsider.

The X Man Al Dwan, 1996

Holy Cow David Duchovny, 2016-04-05 A rollicking, globe-trotting adventure with a twist: a four-legged heroine you won't soon forget Elsie Bovary is a cow, and a pretty happy one at that--her long, lazy days are spent eating, napping, and chatting with her best friend, Mallory. One night, Elsie and Mallory sneak out of their pasture; but while Mallory is interested in flirting with the neighboring bulls, Elsie finds herself drawn to the farmhouse. Through the window, she sees the farmer's family gathered around a bright Box God--and what the Box God reveals about something called an industrial meat farm shakes Elsie's understanding of her world to its core. There's only one solution: escape to a better, safer world. And so a motley crew is formed: Elsie; Jerry--excuse me, Shalom--a cranky, Torah-reading pig who's recently converted to Judaism; and Tom, a suave (in his own mind, at least) turkey who can't fly, but who can work an iPhone with his beak. Toting stolen passports and slapdash human disguises, they head for the airport. Elsie is our wisecracking, pop-culture-reference-dropping, slyly witty narrator; Tom--who does eventually learn to fly (sort of)--dispenses psychiatric advice in a fake German accent; and Shalom, rejected by his adopted people in Jerusalem, ends up unexpectedly uniting Israelis and Palestinians. In *Holy Cow*, David Duchovny's charismatic creatures point the way toward a mutual understanding and acceptance that the world desperately needs.

Bucky F@cking Dent David Duchovny, 2018 Bucky F@cking Dent est un roman de l'acteur David Duchovny qui se concentre sur une relation père-fils et le baseball. [en.wikipedia.org]

Holy Cow David Duchovny, 2015-02-03
