From the small Hungarian town of Konyár to the grand opera houses of Budapest and Paris, from the despair of Carpathian winter to an unimaginable life in labor camps, *The Invisible Bridge* tells the story of a family shattered and remade in history's darkest hour.

Transatlantic Julie Orringer, 2023-04-06 In 1940, Varian Fry—a Harvard-educated American journalist—travelled to Marseille carrying three thousand dollars and a list of imperilled artists and writers he hoped to rescue within a few weeks. Instead, he ended up staying in France for thirteen months, working under the veil of a legitimate relief organization to procure false documents, amass emergency funds, and set up an underground railroad that led over the Pyrenees, into Spain, and finally to Lisbon, where the refugees embarked for safer ports. Among his many clients were Hannah Arendt, Franz Werfel, André Breton, Max Ernst, Marcel Duchamp, and Marc Chagall.

How to Breathe Underwater Julie Orringer, 2004-02-05 The instructor begins the countdown. I grip the bench. The flippers on my feet are cold and awkward. Somewhere at the other end of the pool, my brother Sage is watching. 'Go!' cries the instructor, and I push back off the bench. There is a whirling moment as the high-up natatorium ceiling flies by, and then I plunge backward into the cold shock of water and sink almost immediately. My arms and legs go numb with panic, and my mouth fills with the bleach-taste of pool water. It feels like I'm going down to that place where I was before, the cold dark pond on that November night . . .

The Flight Portfolio Julie Orringer, 2022-08-11 Varian Fry, a young journalist, arrives in Marseille in 1940. He is armed only with three thousand dollars and a list of writers, thinkers and artists he hopes to rescue - so long as the Nazis don't get to them first. With borders closing around him, Varian tries to track down those on his list; renowned artists like Marc Chagall, who cannot believe that he will ever be unsafe in France. He smuggles them over the Pyrenees mountains and across the sea, but every day hundreds of ordinary Jewish refugees beg him for help. Does Varian have the right to choose who to save? Making a list seemed hard enough, but now, in the middle of humanity's darkest hour, Varian must do all he can to help. And as the Nazis begin to get word of his secret operation, he must dig deep and find the courage to rescue as many innocents as he can. Even though his own life may be in terrible danger.

Emerging Trends in Third-Generation Holocaust Literature Alan L. Berger, Lucas F.W. Wilson, 2023-08-08 Emerging

Trends in Third-Generation Holocaust Literature offers fresh approaches to understanding how grandchildren of Holocaust survivors and perpetrators treat their traumatic legacies. The contributors to this volume present a two-fold perspective: that the past continues to live in the lives of the third generation and that artistic responses to trauma assume a variety of genres, including film, graphic novels, and literature. This generation is acculturated yet set apart from their peers by virtue of their traumatic inheritance. The chapters raise several key questions: How is it possible to negotiate the difference between what Daniel Mendelsohn terms proximity and distance? How can the post-post-memorial generation both be faithful to Holocaust memory and embrace a message of hope? Can this generation play a constructive educational role? And, finally, why should society care? At a time when the lessons and legacies of Auschwitz are either banalized or under assault, the authors in this volume have a message which ideally should serve to morally center those who live after the event.

Recognizing the darkness descending over Europe, he and a group of like-minded New Yorkers formed the Emergency Rescue Committee, helping artists and writers escape from the Nazis and immigrate to the United States. Amid the chaos of World War II, and in defiance of restrictive U.S. immigration policies, Fry must procure false passports, secure visas, seek out escape routes through the Pyrenees and by sea, and make impossible decisions about who should be saved, all while under profound pressure—and in a state of irrevocable personal change. In this dazzling work of historical fiction—one that illuminates previously unexplored elements of Fry’s story, and has, since its publication, brought us new insight into his life.

What Is Missing Michael Frank,2019-10-08 Filled with trenchant moments of sweetness and betrayal, as well a stunning reveal of the harrowing gauntlet infertile women go through to conceive. — Publishers Weekly Costanza Ansaldi, a half-Italian and half-American translator, is convinced that she has made peace with her childlessness. A year after the death of her husband, an eminent writer, she returns to the pensione in Florence where she spent many happy times in her youth, and there she meets, first, Andrew Weissman, an acutely sensitive seventeen-year-old, and, soon afterward, his father, Henry Weissman, a charismatic New York physician who specializes in—as it happens—reproductive medicine. With three lives each marked by heartbreak and absence—of a child, a parent, a partner, or a clear sense of identity— *What Is Missing* offers Costanza, Andrew, and Henry the opportunity to make themselves whole when the triangle resumes three months later in New York, where the relationships among them turn and tighten with combustive effects that cut to the core of what it means to be a father, a son, and—for Costanza—a potential mother. Suspenseful and gripping, award-winning author Michael Frank's *What Is Missing* is a psychological family drama about a father, a son, and the woman they both love. A wise and necessary book, one I've been recommending ardently to everyone I know. —Julie Orringer, New York Times-bestselling author *A Penetrating examination of how a life can be defined by contingency and surprise, marked both by the absence of things long dreamed of and by unexpected presences.* — The New Yorker
