Little Fires Everywhere: Reese's Book Club Celeste Ng,2017-09-12 The #1 New York Times bestseller • Named a Best Book of the Year by People, The Washington Post, Bustle, Esquire, Southern Living, The Daily Beast, GQ, Entertainment Weekly, NPR, Amazon, Barnes & Noble, iBooks, Audible, Goodreads, Library Reads, Book of the Month, Paste, Kirkus Reviews, St. Louis Post-Dispatch, and more “To say I love this book is an understatement. It’s a deep psychological mystery about the power of motherhood, the intensity of teenage love, and the danger of perfection. It moved me to tears.” —Reese Witherspoon From the bestselling author of Everything I Never Told You and Our Missing Hearts comes a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia’s past. But her obsession will come at unexpected and devastating costs. Little Fires Everywhere explores the weight of secrets, the nature of art and identity, and the ferocious pull of motherhood—and the danger of believing that following the rules can avert disaster. Named a Best Book of the Year by: People, The Washington Post, Bustle, Esquire, Southern Living, The Daily Beast, GQ, Entertainment Weekly, NPR, Amazon, Barnes & Noble, iBooks, Audible, Goodreads, Library Reads, Book of the Month, Paste, Kirkus Reviews, St. Louis Post-Dispatch, and more

Normative Motherhood: Andrea O'Reilly,2023-03-23 A central aim of motherhood studies is to examine and theorize normative motherhood. Where does it come from? What are its defining features and demands? How does it work as a regulatory discourse and practice across differences of age, class, race, ability, sexuality, and region? What is the impact of normative motherhood on women' s lives? What does an intersectional analysis of normative motherhood reveal? How is normative motherhood reflected and enacted in public policy, workplace practices, family arrangements and so on? How is normative motherhood represented and resisted in literature, art, photography, and film? How do or may women resist normative motherhood? This collection explores these questions of normative motherhood under three interrelated topics: Regulations, Representations, and Reclamations.

Turning the Page Rachel Slaughter,2021-03-05 There is a dearth of multicultural literature in schools since few schools offer a curriculum that promotes multicultural education. However, by the year 2050, ethnic minority children will make up the majority of the United States public school classrooms. Multicultural literature is the building block of a multicultural education which reflects our nation’s diversity and helps all students learn by providing help to bridge the cultural gap, and promote racial awareness. Teachers often find it difficult to identify or find quality multicultural literature that adheres to the standard curriculum. *Turning the Page: The Ultimate Guide for Teachers to Multicultural Literature* helps educators find and evaluate multicultural books that are suitable for the classroom and align with the standard curriculum. The book includes a peer-reviewed metric that shows teachers how to substitute biased books with multicultural literature that endorse the same themes. Second, the book includes reviews, lesson plans, and curated book lists of multicultural books. Finally, the book

offers a stepwise plan on how to create a task force of school stakeholders who can implement a comprehensive, multicultural program. In 2018, The National Association for Multicultural Education released standards for multicultural education to encourage school staff to become culturally competent and linguistically diverse. *Turning the Page: The Ultimate Guide for Teachers to Multicultural Literature* moves educators in that direction.

Radical Empathy in Multicultural Women's Fiction Lara Narcisi,2023-07-25 Fiction provides the possibility for radical empathy by connecting us with strangers and *Radical Empathy in Multicultural Women's Fiction: From the Library to Liberation* both analyzes and embodies this phenomenon by putting women novelists of color in conversation with one another. Foregrounding the growing importance of intersectionality studies, this book considers how race, gender, and class interact for each author. In our increasingly fragmented national dialogue, this approach is unique and timely, demonstrating how novels can transform how we understand ourselves and act towards others. Each chapter compares a contemporary female author to an earlier, canonical author of her ethnic background, depicting the dialogues that authors have across the decades. Each conversation focuses on an intersectional question: How has culturally-enforced silence impacted Asian

women writers? How can the American road trip narrative provide Black men access to their pasts? How do poverty and gentrification impact Chicana coming-of-age stories? Finally, the book facilitates a dialogue across ethnic categories, considering what commonalities all women writers of color share in the contemporary United States, and how their conversations can reach and impact readers to take the crucial step from empathy to action in their own communities.

Critical Race Theory and the American Media Sarah E. Turner, Sarah D. Nilsen, 2025-06-30 Critical Race Theory and the American Media analyzes the widespread circulation of Critical Race Theory (CRT) within academic and popular discourses and its relationship to media studies. Undertaking a two-tiered analysis of CRT and media studies, this volume showcases the wide range of media analyses conducted by a diversity of researchers that utilize CRT as a methodological and theoretical framework for demonstrating how systemic racism impacts media industries. It also analyzes how the current anti-CRT backlash that occurred throughout the American media landscape contributes to the systemic racism that perpetuates inequities and racial injustice in America. This comprehensive study will interest students and scholars of critical race studies, media studies, film and television studies, cultural studies, American studies, ethnic studies, sociology, communication, and pop culture.

Little Fires Everywhere Celeste Ng, 2017 Everyone in Shaker Heights was talking about it that summer: how Isabelle, the last of the Richardson children, had finally gone around the bend and burned the house down. All spring the gossip had been about little Mirabelle McCullough or, depending which side you were on, May Ling Chow and now, at last, there was something new and sensational to discuss. A little after noon on that Saturday in May, the shoppers pushing their grocery carts in Heinen's heard the fire engines wail to life and careen away, toward the duck pond. By a quarter after twelve there were four of them parked in a haphazard red line along Parkland Drive, where all six bedrooms of the Richardson house were ablaze, and everyone within a half mile could see the smoke rising over the trees like a dense black thundercloud. Later people would say that the signs had been there all along: that Izzy was a little lunatic, that there had always been something off about the Richardson family, that as soon as they heard the sirens that morning they knew something terrible had happened. By then, of course, Izzy would be long gone, leaving no one to defend her, and people could and did say whatever they liked. At the moment the fire trucks arrived, though, and for quite a while afterward, no one knew what was happening. Neighbors clustered as close to the makeshift barrier a police cruiser, parked crosswise a few hundred yards away as they could and watched the firefighters unreel their hoses with the grim faces of men who recognized a hopeless cause. Across the street, the geese at the pond ducked their heads underwater for weeds, wholly unruffled by the commotion. Mrs. Richardson stood on the tree lawn, clutching the neck of her pale blue robe closed. Although it was already afternoon, she had still been asleep when the smoke detectors had sounded. She had gone to bed late, and had slept in on purpose, telling herself she deserved it after a rather difficult day. The night before, she had watched from an upstairs window as a car had

finally pulled up in front of the house. The driveway was long and circular, a deep horseshoe arc bending from the curb to the front door and back so the street was a good hundred feet away, too far for her to see clearly, and even in May, at eight o'clock it was almost dark, besides. But she had recognized the small tan Volkswagen of her tenant, Mia, its headlights shining. The passenger door opened and a slender figure emerged, leaving the door ajar: Mia's teenage daughter, Pearl. The dome light lit the inside of the car like a shadow box, but the car was packed with bags nearly to the ceiling and Mrs. Richardson could only just make out the faint silhouette of Mia's head, the messy topknot perched at the crown of her head. Pearl bent over the mailbox, and Mrs. Richardson imagined the faint squeak as the mailbox door opened, then shut. Then Pearl hopped back into the car and closed the door. The brake lights flared red, then winked out, and the car pattered off into the growing night. With a sense of relief, Mrs. Richardson had gone down to the mailbox and found a set of keys on a plain ring, with no note. She had planned to go over in the morning and check the rental house on Winslow Road, even though she already knew that they would be gone.
