

Cherchez La Femme Meaning

Unitarian Historical Society (Boston, Mass.)

A Matter of Conscience Sherry Lee Hoppe, Dennie B. Burke, 2010 Sherry Hoppe tells the story of her love for and the mystery surrounding her husband Bobby Hoppe, a hometown football hero with a dark secret from his past.

The Astonishing Adolescent Upheaval in Psychoanalysis Roosevelt Cassorla, Silvia Flechner, 2024-02-26 This book brings together international contributors to share insight from their theoretical and clinical work with adolescents, considering the different psychopathological responses they see in adolescent patients and how these can be worked with in analysis. Each chapter addresses a specific topic, focusing on representing the clinical realities facing psychoanalysts in treating adolescents with different types of disturbances at the psychic level. They cover a range of situations and perspectives, including discussion of maternal violence, the erotic field, self-mutilation, and social withdrawal, with a core focus on issues affecting contemporary adolescents. Bringing together a vast range of experience, *The Astonishing Adolescent Upheaval in Psychoanalysis* presents a new approach which re-establishes the impact of the responses of significant objects in the impasses present in narcissistic suffering. This book will be of great interest to all psychoanalytic and psychodynamic clinicians working with adolescents.

Jedburgh Justice and Kentish Fire Paul Anthony Jones, 2014-10-16 Did you know that Jedburgh Justice is 'executing someone first, then giving them a trial'? Or that Kentish Fire is 'applauding sarcastically to silence your opponents'? From the author of *Haggard Hawks* and *Paltry Poltroons*, this is a fascinating collection of curious phrases and expressions from the English language, together with the stories of their etymology and anecdotes about their use in history. Where *Haggard Hawks* focused on lists of ten words of a particular kind, this collection instead focuses on lists of phrases and expressions, also arranged by their quirky and specific origins. The contents will include: 10 PHRASES DERIVED FROM PLACES IN BRITAIN (*Jedburgh justice*, *Kentish fire*, *Scarborough warning*...) 10 PHRASES DERIVED FROM PLACES IN LONDON (*A draught on the pump at Aldgate*, *Kent Street ejection*...) 10 PHRASES DERIVED FROM PLACES IN AMERICA (*Hollywood yes*, *Michigan bankroll*, *Chicago Overcoat*...) 10 LATIN PHRASES USED IN ENGLISH (*Quid pro quo*, *nunc est bibendum*...) 10 FRENCH PHRASES USED IN ENGLISH (*La vie en rose*, *C'est la guerre*, *Revenons à nos moutons*...) 10 SHAKESPEAREAN EXPRESSIONS (*Gild the lily*, *Salad days*, *All that glitters is not gold*...) 10 LITERARY EXPRESSIONS (*A thing of beauty is a joy forever*, *Abandon hope all ye who enter here*...) 10 PHRASES FROM COMICS & CARTOONS (*Keep up with the Joneses*,

Mutt and Jeff...) 10 PHRASES FROM SONGS (Miss Otis regrets, The birds and the bees, Potato po-tah-to...) 10 WAYS OF SAYING 'WOW' (Great Scott, My stars, Mamma mia...)

The Psychological Review ,1882

Of Virgins and Martyrs David Jacobson,2013-01-31 Explores the role of women's status, bodies, and sexuality in global conflicts. Women's bodies have become a battleground. Around the world, people argue about veiling, schooling for Afghan girls, and SlutWalk protests, all of which involve issues of women's sexuality and freedom. Globalization, with its emphasis on human rights and individuality, heats up these arguments. In *Of Virgins and Martyrs*, David Jacobson takes the reader on a fascinating tour of how self-identity developed throughout history and what individualism means for Muslim societies struggling to maintain a sense of honor in a globalized twenty-first century. Some patriarchal societies have come to see women's control of their own sexuality as a threat to a way of life that goes back thousands of years. Many trace their lineage to tribal cultures that were organized around the idea that women's virginity represents the honor of male relatives and the good of the community at large. Anyone or anything that influences women to the contrary is considered a corrupting and potentially calamitous force. Jacobson analyzes the connection between tribal patriarchy and Muslim radicalism through an innovative tool—the tribal patriarchy index. This index helps to illuminate why women's sexuality, dress, and image so compel militant Muslim outrage and sometimes violent action, revealing a deeper human story of how women's status defines competing moral visions of society and why this present clash is erupting with such ferocity.

The Secrets of Selkie Moon Virginia King,2018-09-11 "These books are fascinating, mysterious, imaginative, creative and intricate ... Amazing writing. Loved them. The way everything comes together is breathtaking." Goodreads reviewer. *Secrets. Lies. Visions?* If you think you know your history ... think again. When Selkie Moon escapes her abusive marriage and reclaims the name her dead mother gave her, she lands in Hawaii with a little red suitcase and not much else. As she rebuilds her life, her new friends amuse her with stories from the local folklore. But when a vision appears to Selkie in a kahuna's mirror and threatens her life, it unleashes a series of events so strange and frightening they begin to lift the lid on long-buried secrets. What really happened on the beach thirty three years ago? Why did her step-mother rename her Elkie? And why won't her father talk about it? As her reality crumbles around her, Selkie must learn to trust her psychic twinges and investigate every belief her life is built upon. And time is running out. What she discovers begins a journey that will take her around the globe to uncover one secret after another ... and summon the courage and resourcefulness to survive each one. *The First Lie: Hawaii The Second Path: France The Third Note: Ireland* If you love complex mysteries with lightning pace, twists and turns you never see coming, quirky clues and a sprinkling of the supernatural – then you'll love *The Secrets of Selkie Moon*. Get it now.

Romeo and Juliet Variations Yohanan Dark, A young, gay German actor accompanies a Cambodian girl living in Germany

to America. They have adventures in New York and Las Vegas. She becomes his angel, although she is a villain. Variations 1, 2, 3, 4, 5, and 6 can be read as stand-alone stories, but for a full understanding of the novel philosophy, the connecting thread that runs through the entire novel, the interweaving of characters and their situations, it's better to read the Variations in numbered sequence.
