Los últimos días del imperio celeste David Yagüe,2014-02-13 Una trepidante historia de aventuras, lealtad y ambición en plena revolución de los boxers. China, 1900. Un calor asfixiante parece anunciar el fuego de la guerra en el norte del país. Una sociedad secreta, los boxers, amenaza con acabar con todos los extranjeros de la región, ante la pasividad de la corte manchú y la incredulidad de las potencias occidentales. En Pekín, un español veterano de la guerra de Filipinas y el hijo de un comerciante inglés se ven envueltos en un extraño robo de antigüedades. Mientras tanto, un matrimonio de misioneros británicos sufre el horror de la guerra en una apartada aldea y un mandarín chino caído en desgracia tiene que aceptar una misión imposible al servicio de sus acérrimos enemigos de la corte imperial junto a un aterrador boxer de rostro deformado. Los destinos de estos personajes se cruzarán en una trepidante historia de aventuras, de lealtad y ambición, amor y traición, en aquel tórrido y sangriento verano de 1900, en el que el mundo entero contuvo el aliento con la vista puesta en China.

Introduction to Spanish/English Linguistics Dee L. Eldredge,Liesder Mayea,2016-01-08 This textbook is for three

groups of people involved with Spanish: first, for the students enrolled in Spanish/English linguistics courses; second, for college and university librarians; and third, for every Spanish language teacher/professor. We suggest that those who have courses of this type consider this book as a text for those classes. For those that do not have them, we recommend that you offer them and use this book. We also believe that it would also be an ideal book for libraries in which people interested in the topic can go to find out information, since there are no available texts as comprehensive as this one. It is also a book that all Spanish teachers/professors should have on their desks and shelves for reference purposes, being that it contains a lot of information about linguistics and grammar.
