Gandhi ,2011

Mahatma Gandhi Ranjeeta,2019-12-10 This book is based on the life history of Mahatma Gandhi (Mohandas Karamchand Gandhi) from birth to death. With few images and simple words this book targeted his philosophy of life and the most powerful movements headed by Gandhi ji.

Gandhi Catherine Clément,1996 The story of Mahatma Gandhi is the story of modern India. Rejecting the violence and materialism of modern society, this spiritual leader advocated peaceful methods to achieve social reform, and it was largely through his efforts that India gained independence from British rule in 1947. This study tells his story and shows how his influence has now extended far beyond the barriers of nation.

Mother Ocean Father Nation Nishant Batsha,2022-06-07 LAMBDA LITERARY AWARD FINALIST LONGLISTED FOR THE MARK TWIN AMERICAN VOICE IN LITERATURE AWARD "A brilliant debut novel." —Joyce Carol Oates A brother and sister's paths diverge in the wake of political upheaval: one forced to leave, one left behind On a small Pacific island, two siblings tune in to a breaking-news radio bulletin. It is 1985, and an Indian grocer has just been attacked by nativists aligned with the recent military coup. Now, fear and shock ripple through the island's deeply rooted Indian community as racial tensions rise to the brink. Bhumi hears this news from her locked-down dorm room in the capital city. She is the intellectual standout of the family, an aspiring botanist on the path to success. But when her connection to a government official becomes a liability, she must flee her unstable home for California. Jaipal feels like the unnoticed sibling, always left to fend for himself. He avoids their father's wrath as he manages the family store, distracted only by his hidden desires. Suddenly, he is presented with an opportunity—one that promises money and connection, but may leave him vulnerable to the island's escalating volatility. *Mother Ocean Father Nation* is an entrancing debut about how one family, at the mercy of a nation broken by legacies of power and oppression, forges a path to find a home once again.

History of the Syrian Nation and the Old Evangelical-apostolic Church of the East, from Remote Antiquity to the Present Time George David Malech,1910

The Postsecular Imagination Manav Ratti,2013 Through an intimate, literary conjunction of religion and politics, this book theorizes the emergence of a post-secular condition of the contemporary world, in which organized, conventional religion has failed politically. Nationalism has also had its failures after decolonization in the postcolonial world, marked especially by ethnic violence, civil war, partition, and communalism. In the wake of such crises, however, we have still retained within us the need for faith, wonder, and enchantment' which must now find its expression ...
