John C. Maxwell

Wisdom from Women in the Bible John C. Maxwell, 2015-03-31 If you could spend a few minutes with biblical heroines Ruth, Sarah, Mary, and others, what valuable lessons would they share with you? In the tradition of *Running with the Giants* and *Learning from the Giants*, John Maxwell shares wisdom on life and leadership inspired by the Bible—this time focusing solely on the stories of nine incredible women. Learn how God blesses the promises you keep to Him, why you should follow your heart to find your hope, and how not to miss your moment with God. Read on your own or study with a group using the provided faith-building questions. You'll enjoy the journey with Maxwell as he imagines what it would be like to visit heaven and meet giants of the faith who had their lives transformed by God. You'll gain insights from: Ruth...for when you must make a decision but don't know what to do. Sarah...for when you can't understand God and impatience threatens to overwhelm you. Mary. . .for when God asks you to do something outside of your comfort zone. The women who influenced Maxwell inspired this book, and he includes the perspectives of those closest to him in this volume. They and the giants of the faith who continue to inspire them will encourage you to fulfill your destiny and leave a lasting, positive impression on your family and the world.

What Does the Bible Say About Giants and Nephilim? Ken Ammi, 2019-06-10 Under consideration is the issue of the enigmatic Nephilim and giants, by any other name, such as Anakim and Rephaim including the infamous Goliath and King Og, their geography and weaponry and much more. Within this book, you may find that your views challenged on everything from my claim that the term giant(s) does not belong in English Bibles, to a more down to Earth approach to understanding the oft hyperbolized issue of the Nephilim....there we saw the Nephilim, the sons of Anak, which come of the Nephilim: and we were in our own sight as grasshoppers, and so we were in their sight-Numbers 13:33#nephilim #giants #bible #cryptozoology #monsters #megalithic #Christianity #Judaism

Learning from the Giants John C. Maxwell, 2014-11-11 If you could spend a few minutes with the giants of faith in the Old Testament in person, what lessons would they share with you? In *Learning From the Giants* John C. Maxwell draws on fifty years of studying the Bible to share the stories of Elijah, Elisha, Job, Jacob, Deborah, Isaiah, Jonah, Joshua and Daniel. These people fought and won epic battles, served kings, and endured great hardships for God to come out on the other side transformed through His grace. Through them Maxwell explores timeless lessons we can learn about leadership, ourselves, and our relationship with God.

Satan's Super Soldiers Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty-five years ago. Over those years, Blackstone compiled information on all the named giants and those that slew them (men well-known like David, Joshua, and Caleb and those not so well-known like Othniel, Elhanan, and Abishai). Coming to the conclusion that this race of super-humans was a product of Satan's plan to corrupt man, stop the coming of the Messiah, and resist the Hebrews from possessing their promised land, Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities, against powers, against

the rulers of the darkness of this world, against spiritual wickedness in high places (Eph 6:12). Travel with this pastor through the Bible as he reveals the origin of the giants, how they survived the Flood, and when they were finally wiped out in the days of David. With strange names like Rephaim, OG, Arba, Anak, Sheshai, and of course Goliath, learn about their fabled size, their formable weapons, and why they all were so easily defeated! This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally. Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary, What shall we then say to these things? If God be for us, who can be against us? (Rom 8:31).

Big Bad Bible Giants Ed Strauss, 2010-08-03 Goliath might get all the press, but there are many other fearsome giants and towering men throughout the Old Testament and thrilling stories behind each one. In Big Bad Bible Giants, readers 8 and up encounter each powerful and massive man through large black-and-white illustrations and kid-friendly language that explores the background of each hulking giant and why they're important, as well as interesting facts like what their massive weapons looked like and how many sheep it may have taken to satisfy their gigantic appetites—as well as the feats it took to bring these men to their knees. Bulging muscles, towering height, and earth-rattling footsteps ... while it might sound like a description for the big green guy in the movies and comics, these words actually apply to the many giants found throughout

the Bible who were at times just as angry, almost as strong, and prone to wanting to smash things when it came to battles against the Israelites. In *Big Bad Bible Giants*, the amazing facts (and myths) behind the giants of the Bible are explored in kid-friendly language, alongside large illustrations that show what these towering antiheroes may have looked like. From surprising-yet-accurate information on their diets, where they came from, and just how immense their weapons and appetites really were, the gigantic battles and wars against these men will have kids looking at the Old Testament in a completely new way. *Big Bad Bible Giants*: contains biblically sound information in language kids can relate to works as an age-appropriate reference guide for any child 8 to 12 learning more about the Bible contains large text and an open page design, along with lots of detailed illustrations, making it perfect for reluctant readers is part of the 2:52 series of books, which focuses on becoming more like Jesus as described in Luke 2:52

Reading the Bible with Giants David Paul Parris, 2015-03-04 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two-way dialogue between themselves and the text. Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation. However, if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them. Drawing on resources from Reception Theory, the goal of *Reading the Bible with the Giants* is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us.

The Book of Giants Joseph Lumpkin, 2022-03-10 Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, *The Book of Giants*. It is thought to have been based on the *Book of Enoch*, a pseudepigraphical Jewish work from the 3rd century BCE. The *Book of Giants*, like the *Book of Enoch*, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the *Book of Giants* was once part of the *Book of Enoch*, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the *Book of Giants* and the *Book of Enoch* we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to

cleanse the Earth of their horror.
