James Russell Miller

Home-making James Russell Miller, 1882

Home Making J. R. Miller, Sheri Graham, 2014-03-10 Although this book is titled Home Making, this is not just a book for women who keep home. The message of Home Making is powerful: Sisters, Brothers, Husbands, Wives--home life is meant to be beautiful, ennobling, and victorious! Miller writes truth that we need to hear today, but are usually too afraid to say. He carefully addresses each family member, sharing the roles that each should play in family life. This is an old book, published in 1882, but still very relevant today. Lined pages are included after each chapter for note taking.

The Family James Russell Miller, 2003-10 Don't let the title fool you. This is not just a book for women who keep home. Home-Making is an uncompromising vision statement for the domestic bliss and cultural dominion of the Christian family. The message of Home-Making is powerful: Sisters, Brothers, Husbands, Wives--Home life is meant to be beautiful, ennobling, and victorious! God intends for each person, from parent to child, to play a role in family life, the ultimate goal of which is the transformation of the individual, the home and the society for the glory of God. Miller writes things that we know are true and that we need to hear, but everyone is afraid to say. He carefully addresses each member of the family and somehow manages to find the perfect balance between inspiration and exhortation. Originally published in 1882. Chapter titles include: 1) The Wedded Life; 2) The Husband's Part; 3) The Wife's Part; 4) The Parent's Part; 5) The Children's Part; 6) Brothers and Sisters; 7) The Home-Life; 8) Religion in the Home; 9) Home Memories

Home-making James Russell Miller, 1926

Home-making J. R. Miller, 2014-12-26 The Wedded Life The Christian Husband The Christian Wife The Parent's Part The Children's Part Brothers and Sisters The Home-life Religion in the Home Home Memories Originally published in 1882, Home-making is a steadfast proclamation of advocacy for the domestic bliss and cultural dominion of the Christian family. The message of Home-making is powerful and resolute: "Sisters, Brothers, Husbands, Wives -- home life is meant to be beautiful, ennobling, and victorious!" God intends for each person -- from parent to child -- to play a role in family life, the ultimate goal of which is the transformation of the individual, the home, and the society for the glory of God. Miller writes truth that we need to hear, but are usually afraid to say. He carefully addresses each member of the family, managing to find the perfect balance between inspiration and exhortation. Homes are the divinely ordained fountains of life. It is not by

accident, that people live in families, rather than solitarily. The human race began in a family, and Eden was a home. The divine blessing has ever rested upon nations and communities, just in the measure in which they have adhered to these original institutions and have kept marriage and the home pure and holy; and blight and curse have come just in the measure in which they have departed from these divine models, dishonoring marriage and tearing down the sacred walls of home.

The Christian Family J. Miller, 2013-06-24 Originally published in 1882 as Home-Making, this book is about a lot more than simply keeping house. The Christian Family lays out the joys and sorrows of family life, as well as the roles and responsibilities of each member. In an age of family fragmentation and disintegration, Miller sets before us the ideal of family unity and harmony. Using illustrations and anecdotes, he paints a picture of the beauty of The Christian Family. Except the LORD build the house, they labour in vain that build it.
