J.D. Rockefeller

Life's Not Fair... Sam Sekimi, 2019-08-19 Author Sam Sekimi has been twice married and twice divorced, and she sees the ends of her two marriages as her biggest failures. She believes the commitment to the meaning behind her marriage vows should be lived out until death. When this did not happen for her, her self-esteem and confidence suffered, and only with time, counseling, and the love of God could she recover. Now, in *Life's Not Fair... But God Is Awesome*, Sekimi presents her twenty-one-year journey through the events of her life and the stories she has created along the way. She hopes that through her experiences, challenges, successes, and failures, others may gain the encouragement and confidence they might be lacking. As Sekimi explores marriage, divorce, family, friendships, religion, faith, and death, she includes not only her personal narratives but also some of her original writing, along with lessons learned quotes from those who have touched her life. In this inspirational collection of writing, one woman shares her life story with the goal of inspiring the faith and optimism of others.

When Life Isn't Fair Joel A. Freeman, 2002 It is perhaps the most-asked question in any time period: Why does God allow suffering? Certainly, every human experiences pain and rejection. If the difficulty is long-term, one can almost be driven mad with grief or anger. We want to know why. Physical and emotional problems are so draining, we become obsessed with fairness. How do we reconcile our concept of a powerful, loving God with the fact of child death? Or greed? Divorce?

It's Not Fair Melanie Dale, 2016-08-16 Hey, you. Are you debating whether to destroy something with your bare hands or curl up on the couch for a decade or two? This book will solve all of your problems. (Sheesh, that's aiming a bit high.) This book is a cup of hot coffee, a ginormous bar of chocolate, or the magical fairy that comes over and does your dishes while you lie in the fetal position clutching a fluffy pillow. Sometimes when life falls apart the only acceptable response is hysterical laughter. When things get so far gone, so spectacularly a world away from any plans you made or dreams you dreamed, you feel it bubbling up inside of you and you scream, It's not fair! And it isn't. Fair is an illusion, and life is weird. This book will help you laugh at life's absurd backhands. This book is an empathetic groan of our collective unfairnesses. You might want to throw it across the room, and you might want to hug it like your new best friend. This book is about us sitting down together in our shared mess, taking a deep breath, gripping hands, looking the hard stuff in its beady little eyeballs, and bahahahahaing at it. Life's not fair, but we can learn to love this life we didn't choose.

Atheism Religion and Life (A Layman's Perspective) Brian Hinkley, 2015-04-10 A book that lays bare the fallacy of religion. It makes an unmistakable statement on the personal effect religion has on the individual; and the damage inflicted on the cultural, political and economic life of the world's population. Arguments for and against religion, atheism and the philosophy of life are examined, but always geared towards the layman. Humour, and irreverent commentary, assists the reader to question Bible events, in a fashion that helps the ordinary person to understand religion from an atheist's perspective. The bogus claims made by religions, are dissected by the clever use of stories, quotes, and examining relevant sections of the Bible. Veiled sections of the Bible that most of the public either have never heard of, or don't believe exist are exposed. A provocative read to challenge both the religious and non-religious. It is concise and understandable. Agree or disagree, one thing all critics agree upon, it will make you think about life and religion.

The Life of Kobe Bryant J.D. Rockefeller, 2016-04-20 Basketball is one of the most famous sports around the world. This

sport is a great source of excitement and thrill to all basketball lovers as every season, they have the chance to see their favorite basketball player. We all get the chance to enjoy a basketball game, as there are live telecasts of the entire game on televisions and internet. You watch a much-awaited game of the year between two opposing teams and go with your bet. Generally, basketball is a wholesome sport that almost all people have knowledge of. In the history of basketball, there are a number of players that contributed a lot to the sport. Their fame might just be fleeting, but once they retire from the game, their legacy will always be in the heart of their fans and many basketball lovers. No matter how hard we try to stick to the game, our body will always have a reason to quit. In a few years to come, there will be new players that will amaze the world the way these historical basketball players had done before.

Living The Dream: Building An Extraordinary Life Through Christianity Blaine Locklair,2018-09-24 You are special and unique. You deserve to have the best possible life you can live. There is so much available to you in the world to make your life even greater than it is today. But how do you get it? How do you get from where you are today to where you deserve to be tomorrow?
