God's Grace & Grit Carolyn Snelling,2023-07-18 Let's face it, Marriage needs a Survival Guide. Fairytales did not prepare us for the reality of marriage. Cinderella never had to contend with dirty socks, Snow White never had to heal through sexual trauma, and Rapunzel never had to file for a divorce. If you are engaged or married, do you still feel the love and purpose for each other that you had when you felt that first spark? Maybe you are single or divorced, praying for Prince Charming to ride in on his horse and whisk you away. Life doesn't prepare you to become a single mom or teach you how to fight through the pain of watching your spouse battle a debilitating illness. How do we navigate the valleys of life and still smile when our spouse enters the room? God's Grace and Grit: Surviving Your Fairytale is here to empower you; no matter where you are in your happily ever after journey. Biblical stories of courage and love will inspire you and testimonies from our friends will encourage you to boldly carry on for God's glory. Marriage begins with friendship and love. It's His Grace and Grit that allows us to truly thrive in our happily ever after - no matter the challenge.

**The Bulletproof Leader** Glenn Dorsey,2022-04-05 Stop hiding and experience healing. Leaders share a unique challenge in bridging the gap between their public and personal lives. Unrealistic pressures and demands encourage many to hide or minimize their weaknesses and mistakes. Those who refuse to address their issues privately are often later forced to confront their troubles publicly, leaving them in disgrace. In *The Bulletproof Leader*, Glenn Dorsey offers a fresh approach that centers on the development of a leader as a person complete with faults, failures, and feelings. Each chapter contains real-life applications, practical wisdom, and biblical principles, coaching readers on how to ● embrace authenticity, ● conquer flaws, ● establish boundaries, ● develop personal accountability, and ● cultivate a balanced life. Become the leader you are meant to be and leave a legacy of blessing.

*Strengths-Based Supervision in Clinical Practice* Jeffrey K. Edwards,2012-04-24 *The Next Generation of Supervision Practices in Clinical Settings* Author Jeffrey K. Edwards reframes the model of supervision, management, and leadership in clinical practice using an approach that focuses on collaboration and strength-building, with supervisees as competent stakeholders in their work with clients. Deconstructing the usual top-down hierarchy, this text leads the reader through the full range of supervision practices, from the clinical aspects to the administration of all organizations where clinicians are trained, supervised, and encouraged to excel and grow. Edwards starts with a review of the traditional clinical supervision

model (two full chapters) and moves on to his strengths-based model, which covers agency and organizational work—all examined using a contemporary, social construction approach.
