**The Bridge Game** Nicolae Sfetcu,2014-04-25 A comprehensive guide of bridge game: online games, variants, suits, hand evaluation, bidding systems, techniques, strategy, tactics. Contract bridge, usually known simply as bridge, is a trick-taking card game of skill for four players, usually sitting around a table, who form two partnerships, or sides. The partners on each side sit opposite one another. The game consists of two main parts - bidding (or auction) and play; the rules of play are rather simple and similar to other trick-taking games. However, the bidding and associated conventions are much more complex, and represent the true learning barrier to new players. Also, there is an immense variety of techniques in play of the hand, whose effective use requires learning and experience.

*Knowledge-Free and Learning-Based Methods in Intelligent Game Playing* Jacek Mandziuk,2010-01-27 The book is focused on the developments and prospective challenging problems in the area of mind game playing (i.e. playing games that require mental skills) using Computational Intelligence (CI) methods, mainly neural networks, genetic/evolutionary programming and reinforcement learning. The majority of discussed game playing ideas were selected based on their functional similarity to human game playing. These similarities include: learning from scratch, autonomous experience-based improvement and example-based learning. The above features determine the major distinction between CI and traditional AI methods relying mostly on using effective game tree search algorithms, carefully tuned hand-crafted evaluation functions or hardware-based brute-force methods. On the other hand, it should be noted that the aim of this book is by no means to

underestimate the achievements of traditional AI methods in game playing domain. On the contrary, the accomplishments of AI approaches are undisputable and speak for themselves. The goal is rather to express my belief that other alternative ways of developing mind game playing machines are possible and urgently needed.
