May I Quote You, Stonewall Jackson? Randall J. Bedwell, 1997 Explores the words and statements of great generals that represent a period in history as far removed from contemporary experience as the way of life they fought to preserve. The statements in this volume speak of duty and principle, faith and doubt, bravery in the face of certain defeat, hard choices, and the qualities of leadership that made those men great. Their wisdom, contained in their words and actions, is an immortal testament to their dignity, character and bravery.

America Aflame David Goldfield, 2011-03-15 In this spellbinding new history, David Goldfield offers the first major new interpretation of the Civil War era since James M. McPherson's *Battle Cry of Freedom*. Where past scholars have limned the war as a triumph of freedom, Goldfield sees it as America's greatest failure: the result of a breakdown caused by the infusion of evangelical religion into the public sphere. As the Second Great Awakening surged through America, political questions became matters of good and evil to be fought to the death. The price of that failure was horrific, but the carnage

accomplished what statesmen could not: It made the United States one nation and eliminated slavery as a divisive force in the Union. The victorious North became synonymous with America as a land of innovation and industrialization, whose teeming cities offered squalor and opportunity in equal measure. Religion was supplanted by science and a gospel of progress, and the South was left behind. Goldfield's panoramic narrative, sweeping from the 1840s to the end of Reconstruction, is studded with memorable details and luminaries such as Harriet Beecher Stowe, Frederick Douglass, and Walt Whitman. There are lesser known yet equally compelling characters, too, including Carl Schurz-a German immigrant, warhero, and postwar reformer-and Alexander Stephens, the urbane and intellectual vice president of the Confederacy. *America Aflame* is a vivid portrait of the fiery trial that transformed the country we live in.

Stand To Shawn Brower, 2021-02-02 Like a soldier awake, alert, ready for action as he responds to the STAND TO call knowing every moment is critical and his engagement is a necessity, so every man must know that he too is being counted on to courageously follow God's specifically designed purpose and plan for his life. Men are hardwired for action, and we learn best by doing. STAND TO invites men to accept personal challenges and live intentional, creed-driven lives in the presence of God (Coram-Deo), under His authority, and for His glory! Too often, silence, apathy, hesitation, or withdrawal from worthy engagements cause a man's true identity and strength to be suppressed. STAND TO flips this narrative! STAND TO shares from God's Word our striking resemblance to our Warrior King who has also experienced intense suffering from missional living. This King offers backbone-stiffening courage in the face of fear, strength without compromise, and the model for sacrificial living despite the cost. Knowing our King goes before us in the battles and challenges enables us to confront and overcome them as well. Each chapter provides men specific 'courage challenges' to DO. This is critical! Soldiers in battle are trained and equipped to courageously engage in the good conflict and move towards the action. Such present and engaged men are needed in their relationships and their significant calling from God. In the words of Thomas Jefferson, "Do you want to know who you are? Don't ask. Act! Action will delineate and define you!" STAND TO IS GOING TO LIGHT YOUR HAIR ON FIRE! This incredibly interesting and readable book is destined to reach a whole new generation of men who want their lives to count and make a difference. It's that good! —PATRICK MORLEY, PhD, Founder, Man in the Mirror For years, Shawn has been training boys to be men, and this book proves he's the kind of guide we need right now. —JOHN STONESTREET, President of the Colson Center for Christian Worldview and host of Breakpoint Men who would "stand up for Christ" and "stand firm in Christ" would benefit from being saturated in Dr. Brower's volume STAND TO - a weighty yet engaging exposition of Christ-exalting Biblical masculinity. Enjoy and profit! —HARRY L. REEDER III, Sr. Pastor, Briarwood Presbyterian Church It's time men of God need to stand up not down. Shawn Brower points to God's standard of masculinity and invites men to embrace who God designed us to be. —RICK BURGESS, Co Host of the Rick and Bubba Show and Director of TheManChurch.com This book helps men, young and old, to courageously pursue, accept, and act on God's masculine design, to image Jesus...A must read for every man. —MITCH TEMPLE, Executive Director / CoFounder - The Fatherhood Commission Stand To was a hallmark of hope and heaven-sent pushing and probing. I am drawing upon its resources multiple times in a week and sometimes in a day. —JOSEPH V. NOVENSON, Pastor of Sr. Adults, Lookout Mountain Presbyterian Church
