

Shes Come Undone Book

Crissy Calhoun

She's Come Undone Wally Lamb, 2011-04-12 In this New York Times bestselling extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch a wild ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. Mine is a story of craving: an unreliable account of lusts and troubles that began, somehow, in 1956 on the day our free television was delivered.... Meet Dolores Price. She's thirteen, wise-mouthed but wounded, having bid her childhood goodbye. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the Mallomars, potato chips, and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In this extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch a wild ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably lovable, Dolores is as poignantly real as our own imperfections. She's Come Undone includes a promise: you will never forget Dolores Price.

Reading Oprah Cecilia Konchar Farr, 2005-01-01 An analysis of how Oprah's Book Club has changed America's reading habits.

Love You to Death Ð Season 4 Crissy Calhoun, Heather Vee, 2013-10-01 With a foreword by co-creator Julie Plec, the fan-favorite Love You to Death series returns with an essential guide to the fourth season of The CW's hit show The Vampire Diaries. This season four companion delves headlong into the twists and turns of each episode, exploring the layers of rich history, supernatural mythology, historical and pop culture references, and the complexities and motivations of the show's memorable cast of characters. Add expanded chapters on the making of the show, the people who bring the world of Mystic Falls to life, and the intensely loyal audience that keeps it thriving, and you have a guide as compelling and addictive as the show itself. Features exclusive interviews with: co-creator Julie Plec, executive producer Caroline Dries, writer Jose Molina, producer Pascal Verschooris, director Joshua Butler, cinematographer Dave Perkal, editor Tyler Cook, and composer Michael

Suby.

Love You to Death - Season 2 Crissy Calhoun, 2011-09 Go deep into the heart of Mystic Falls with this episode-by-episode look at the second season of *The Vampire Diaries*. This next volume in a series School Library Journal called 'well written and thoroughly detailed, ' *Love You to Death: The Unofficial Companion to The Vampire Diaries ' Season 2* is the essential guide to the show, featuring insightful explorations of each episode with information on the rich history, supernatural mythology, film references, character development, and much more; chapters on the vampire, werewolf, and doppelgänger lore that inspired the series; and details on the making of the show, the people who put it together, and the fandom that keeps it alive. With photos of the irresistible cast and of the show's filming locations, this second installment captures the fun, fangs, and fear that make this bloodcurdling show so epic.

Bobby Orr and Me Martin Avery, 2008-12-31 Martin Avery reflects on the place of hockey in the Canadian soul. Bobby Orr And Me flows from Avery's boyhood games in the Muskoka/Parry Sound region in the heart of Canada and it examines the globalization of hockey. Part memoir, part essay on national identity, part hockey history, *Hockey Dreams* is a meditation by a Canadian author on the essence of the game that helps define our nation.

The Oprah Phenomenon Jennifer Harris, Elwood Watson, 2007-03-16 Her image is iconic: Oprah Winfrey has built an empire on her ability to connect with and inspire her audience. No longer just a name, Oprah has become a brand representing the talk show host's unique style of self-actualizing individualism. The cultural and economic power wielded by Winfrey merits critical evaluation. The contributors to *The Oprah Phenomenon* examine the origins of her public image and its substantial influence on politics, entertainment, and popular opinion. Contributors address praise from her many supporters and weigh criticisms from her detractors. Winfrey's ability to create a feeling of intimacy with her audience has long been cited as one of the foundations of her popularity. She has repeatedly made national headlines by engaging and informing her audience with respect to her personal relationships to race, gender, feminism, and New Age culture. *The Oprah Phenomenon* explores these relationships in detail. At the root of Winfrey's message to her vast audience is her assertion that anyone can be a success regardless of background or upbringing. The contributors scrutinize this message: What does this success entail? Is the motivation behind self-actualization, in fact, merely the hope of replicating Winfrey's purchasing power? Is it just a prescription to buy the products she recommends and heed the advice of people she admires, or is it a lifestyle change of meaningful spiritual benefit? *The Oprah Phenomenon* asks these and many other difficult questions to promote a greater understanding of Winfrey's influence on the American consciousness. Elwood Watson, associate professor of history at East Tennessee State University, is the editor of several books, including *There She Is, Miss America: The Politics of Sex, Beauty, and Race in America's Most Famous Pageant* and *Searching The Soul of Ally McBeal: Critical Essays*.

I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that

he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta*, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

Couldn't Keep It to Myself Wally Lamb, Nancy Whiteley, Tabitha Rowley, Nancy Birkla, Robin Cullen, Diane Bartholomew, Dale Griffith, Brenda Medina, 2004-02-03 In a stunning work of insight and hope, New York Times bestselling author Wally Lamb once again reveals his unmatched talent for finding humanity in the lost and lonely and celebrates the transforming power of the written word. For several years, Lamb has taught writing to a group of women prisoners at York Correctional Institution in Connecticut. In this unforgettable collection, the women of York describe in their own words how they were imprisoned by abuse, rejection, and their own self-destructive impulses long before they entered the criminal justice system. Yet these are powerful stories of hope and healing, told by writers who have left victimhood behind. In his moving introduction, Lamb describes the incredible journey of expression and self-awareness the women took through their writing and shares how they challenged him as a teacher and as a fellow author. *Couldn't Keep It to Myself* is a true testament to the process of finding oneself and working toward a better day.

She's Come Undone Recorded Books, LLC, 2012-01-17 Bless Me, Ultima

We Are Water Wally Lamb, 2013-10-22 "A mesmerizing novel about a family in crisis."—Miami Herald A disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets—dark and painful truths that have festered below the surface of the Ohs' lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs—nonconformist, Anna; her ex-husband, Orion, a

psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

Contemporary Authors Scot Peacock, 2002-02 In response to the escalating need for up-to-date information on writers, Contemporary Authors® New Revision Series brings researchers the most recent data on the world's most-popular authors. For your convenience, a soft-cover cumulative index is sent biannually. While Gale strives to replicate print content, some content may not be available due to rights restrictions. Call your Sales Rep for details.

The Hour I First Believed Wally Lamb, 2009-10-06 New York Times Bestseller The beauty of *The Hour I First Believed*, a soaring novel as amazingly graceful as the classic hymn that provides the title, is that Lamb never loses sight of the spark of human resilience. . . . Lamb's wonderful novel offers us the promise and power of hope."—Miami Herald The profound and compelling story of a personal quest for meaning and faith from Wally Lamb, #1 New York Times bestselling author of *She's Come Undone* and *I Know This Much Is True* When 47-year-old high school teacher Caelum Quirk and his younger wife, Maureen, a school nurse, move to Littleton, Colorado, they both get jobs at Columbine High School. In April 1999, Caelum returns home to Connecticut to be with his aunt who has just had a stroke. But Maureen finds herself in the school library at Columbine, cowering in a cabinet and expecting to be killed, as two vengeful students go on a murderous rampage. Miraculously she survives, but at a cost: she is unable to recover from the trauma. Caelum and Maureen flee Colorado and return to an illusion of safety at the Quirk family farm back east. But the effects of chaos are not so easily put right, and further tragedy ensues. In *The Hour I First Believed*, Wally Lamb travels well beyond his earlier work and embodies in his fiction myth, psychology, family history stretching back many generations, and the questions of faith that lie at the heart of everyday life. The result is an extraordinary tour de force, at once a meditation on the human condition and an unflinching yet compassionate evocation of character.

About the Author Alfred Glossbrenner, Emily Glossbrenner, 2000 From Jane Austen to John Steinbeck to Don Delillo to Danielle Steel, this book offers a detailed and comprehensive resource revealing fascinating facts about the authors you love, along with great introductions to authors you've yet to read.

Democracy & Education, 2001

I'll Fly Away Wally Lamb, 2007-09-18 In 2003 Wally Lamb—the author of two of the most beloved novels of our time, *She's Come Undone* and *I Know This Much Is True*—published *Couldn't Keep It to Myself*, a collection of essays by the

students in his writing workshop at the maximum-security York Correctional Institution, Connecticut's only prison for women. Writing, Lamb discovered, was a way for these women to confront painful memories, face their fears and their failures, and begin to imagine better lives. The New York Times described the book as Gut-tearing tales . . . the unvarnished truth. The Los Angeles Times said of it, Lying next to and rising out of despair, hope permeates this book. Now Lamb returns with *I'll Fly Away*, a new volume of intimate, searching pieces from the York workshop. Here, twenty women—eighteen inmates and two of Lamb's cofacilitators—share the experiences that shaped them from childhood and that haunt and inspire them to this day. These portraits, vignettes, and stories depict with soul-baring honesty how and why women land in prison—and what happens once they get there. The stories are as varied as the individuals who wrote them, but each testifies to the same core truth: the universal value of knowing oneself and changing one's life through the power of the written word.

The Top Books of the Year Shes Come Undone Book The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Shes Come Undone Book : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Shes Come Undone Book : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
