

Short Story Christmas Memory

Gale, Cengage Learning

A Christmas Memory Truman Capote, 1996-11-12 Together in one festive, keepsake volume, here are the three holiday stories that Truman Capote regarded as among his greatest works of short fiction. "A Christmas Memory" and "The Thanksgiving Visitor" were inspired by Capote's early years with a family of distant relatives in rural Alabama. These two childhood tales pay loving tribute to an eccentric old-maid cousin, Miss Sook Faulk, who became Capote's best friend. In "A Christmas Memory," Miss Sook, Buddy (the narrator), and their dog, Queenie, celebrate the yuletide in a hilariously tipsy state. In the poignant reminiscence "One Christmas," six-year-old Buddy journeys to New Orleans for a reunion with his estranged father that shatters many illusions. And in "The Thanksgiving Visitor," Miss Sook invites an unexpected guest to the holiday meal: the school bully, Odd Henderson, whom Buddy calls "the meanest human creature in my experience." Distinguished by Capote's delicate interplay of childhood sensibility and recollective vision, these three classics are gems that celebrate the unique bonds of friends and family.

A Christmas Memory Truman Capote, 2014 Story from an author's childhood of lovingly making fruitcakes from scratch at Christmas-time with his elderly cousin, and has stood the test of time to become known as an American holiday classic.

Truman Capote Tison Pugh, 2014 Pugh explores Capote through a cinematic lens, skillfully weaving the most relevant elements of Capote's biography with insightful critical analysis of the films, screenplays, and adaptations of his works that composed his fraught relationship with the Hollywood machine.

American Literature on Stage and Screen Thomas S. Hischak, 2014-01-10 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F. Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult

books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.

Truman Capote Enfant Terrible Robert Emmet Long, 2008-06-15 A close look at the genesis of one of America's great modern writers Robert Emmet Long presents a full account of Truman Capote's early life, making use of Capote's unpublished papers. Topics covered include his strange relationship with his beautiful but immature mother (she was sixteen years old when Capote was born) as well as his friendships with a series of rich and talented women. Combining biographical insights with literary criticism, Truman Capote, Enfant Terrible presents a grand overview of a complex and fascinating author: one who remained a child in appearance and behavior; a southerner who strayed from the south; a celebrity while living in the most solitary realm of his vast imagination.

A Christmas Memory, 1994 Truman Capote's short story A Christmas Memory has become a Christmas classic. Warmly lyrical, it is an autobiographical story which tells of the author's Christmas as a boy of seven with his special friend, an elderly distant cousin who, as he delicately puts it, is still a child. Each Christmastide they bake a huge batch of fruit cakes to send to people who've struck their fancy, such as the missionary to Borneo and President Roosevelt. They gather windfall pecans for the cakes, they go to the General Store to buy the ingredients, and they make a terrifying trip to the local bootlegger's to buy the necessary whiskey. After the cakes are baked, wrapped and mailed, the Woman innocently shares the remaining whiskey with the little boy as they celebrate with increasingly inebriated tap dancing. This leads to a shattering confrontation when the Aunts, with whom they live, swoop in, leveling against the Woman charges of scandal, sin, ruination, craziness. This last hurts deeply, and the little boy consoles her after they are alone. They plan Christmas gifts for each other - kites - and they celebrate the ritual of Christmas morning and fly their kites in the meadow. As the kites rise in the distance and eventually merge into one, we sense anew their special love for one another as we feel the poignancy of this their last Christmas together.--Page iii.
