*Since You've Been Gone (Restoring Heritage Book #3)* Tari Faris, 2021-09-07 Leah Williams is back in the quaint town of Heritage, Michigan, and ready to try again to make her business a success. But blank slates are hard to come by, and a piece of her past is waiting for her there. Heir to the Heritage Fruits company, Jonathan Kensington is the guy who not only made Leah's past difficult, he also seems determined to complicate her present as well. Jon is trying to prove to the Heritage Fruits board that he, not his manipulative uncle, should be running the business. The board insists Jon find a new owner for the building that will house Leah's business. To avoid forcing a buyout of Leah's part of the building, Jon strikes a compromise with Leah, and the two go into business together. With her vision and his know-how, it might work. And Leah might realize he's loved her since high school. If only he didn't keep on shooting himself in the foot by boxing her out of important decisions. Sparks fly in this romantic story of two people who must learn to trust both each other and the one who called them to this journey. A welcome homecoming for series fans, this is also recommended for all who love small town romances.--Booklist

*Since You've Been Gone* Carlene Thompson, 2007-04-01 A decade ago, teenaged clairvoyant Rebecca Ryan gained notoriety helping the local police solve high-profile cases. Then came the shocking kidnapping that hit close to home; the first crime she couldn't solve. Haunted by guilt since the shattering day her beloved kid brother was found murdered, Rebecca has finally made a fresh start in New Orleans. Then comes the all-too-familiar vision: Mind-numbing terror. Shattering pain. The grim certainty that somewhere, a child has been kidnapped from his bed in the middle of the night. A child who shares Rebecca's last name--and perhaps, her brother's grim fate. Back in quaint Sinclair, West Virginia, Rebecca intends to use her psychic gift to find her cousin's missing son before it's too late. But some people in town--and in the Ryan household itself--still resent her for what her second sight did. Some haven't forgiven her for what it couldn't do. And one vengeful soul is determined that Rebecca and her family will once again pay a deadly ransom...

**365 Days / 365 Plays** Suzan-Lori Parks, 2006-11-01 "Suzan-Lori Parks is one of the most important dramatists America has produced."—Tony Kushner "The plan was that no matter what I did, how busy I was, what other commitments I had, I would write a play a day, every single day for a year. It would be about being present and being committed to the artistic process every single day, regardless of the 'weather.' It became a daily meditation, a daily prayer celebrating the rich and strange process of a writing life."—Suzan-Lori Parks On November 13, 2002, the incomparable Suzan-Lori Parks got an idea to write a play every day for a year. She began that very day, finishing one year later. The result is an extraordinary testament to artistic commitment. This collection of 365 impeccably crafted pieces, each with its own distinctive characters and dramatic power, is a complete work by an artist responding to her world, each and every day. Parks is one of the American theater's most wily and innovative writers, and her "stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous" (TIME).
