The Light and the Glory for Young Readers (Discovering God's Plan for America) Peter Marshall, David Manuel, Anna Wilson Fishel, 2011-11-01 From the very beginning it would seem that God had a plan for America. From its discovery by Europeans to its settlement, from the Revolution to Manifest Destiny, from the stirrings of civil unrest to civil war, America was on a path. In our pluralistic world, when textbooks are being rewritten in ways that obscure the Judeo-Christian beginnings of our country, the books in the Discovering God's Plan for America series help ground young readers in a distinctly evangelical way of understanding early American history. As young readers look at their nation's development from God's point of view, they will begin to have a clearer idea of how much we owe to a very few--and how much is still at stake. These engaging books bring history alive in a way that will inspire young people to do their important part in shaping this nation into the future.

Heaven and Earth in Luke-Acts Ming Gao, 2017-10-31 Dr Ming Gao delves into the much-overlooked heaven motif in Luke-Acts in this critical study of a central element in Christian belief. Focusing on several key passages from the biblical canon, Gao analyzes them in their Jewish, Greco-Roman and broader literary contexts to enhance our comprehension of the meaning of "heaven" and its significance for our worldview. Heaven is not simply a static place where God dwells or a symbol

of his power, but is a dynamic arena that impacts the earthly realm. Dr Gao also elucidates how heaven, as well as being part of reality, acts as a concept that points to the arrival of God's eschatological kingdom on earth. This book will enhance efforts to understand "heaven," which is often viewed as an unfathomable mystery by so many Christians.

A. C. Gaebelein Collection A. C. Gaebelein,2022-03-11 It is impossible to overestimate the importance of the book of Daniel. It is the key to all prophecy; without a knowledge of the great prophecies contained in this book the entire prophetic portion of the word of God must remain a sealed book. Most interpretations of Revelation are chiefly occupied with symbols of the Book—mysteries, judgments, promised consummation—and neglect to sufficiently emphasize the person of Jesus Christ. If Jesus so prominently stands at the book's center, what makes the symbolism so appealing and distracting? Gaebelein firmly orients the symbolism, the prophecy, and the apocalyptic predictions in the book of Revelation around the person of Jesus Christ. The Revelation: An Analysis and Exposition of the Last Book of the Bible also contains appendices on connections between Revelation and Daniel, on the symbolic names in Revelation, and on helpful books on prophecy in general and the book of Revelation in particular.
