Enter the bazaar of the bizarre—where fate and fortunes are for sale just beneath Covent Garden—in this high-stakes historical fantasy debut set in 19th-century London, perfect for fans of *Neverwhere* and *The Night Circus*. Below Covent Garden lies the Untermarkt, where anything and everything has a price: a lover's first blush, a month of honesty, a wisp of fortune. As a child, Deri was sold to one of the Market's most powerful merchants. Now, after years of watchful servitude, Deri finally spots a chance to buy not only his freedom but also his place amongst the Market's elite when he stumbles into the path of a runaway princess desperate to sell her royal destiny. But news of the missing princess and her wayward destiny spreads. Royal enforcers and Master Merchants alike are after it. Outmanoeuvring them all would all be hard enough had Deri not just also met the love of his life, a young man called Owain, whose employers are using the Market for their own nefarious schemes. Deri soon finds that the price of selling the royal destiny, making a name for himself, and saving the man he loves is dear. The cost of it all might just change the destiny of London forever..

When Angels Cry Neil Antonio, 2008-11 *Pearls of Wisdom* is a story about life and death. It is a story of one man's path to finding love, happiness and a fulfilled life. Aaron Long had died of terminal lung cancer. His loving wife Caitlin was grief stricken and had delayed gathering his personal belongings. Finally, after two weeks of grieving, she decided it was time to complete this task. While she was going through his personal belongings, she found an envelope with a note and safe deposit

key. The note described a journal he had written, just before his death, and placed in a safe deposit box. Caitlin Long went to the safe deposit box and retrieved her husband's journal. As she began reading the journal, she soon realized it was his final gift to her. *Pearls of Wisdom* is about self discovery and self fulfillment. The importance of human relationships cannot be understated when attempting to have a happy and fulfilled life. The story deals with topics that people face during their lifetime. They may face some or all of the following topics: parental influence, success and failure, love, race, war, suicide, marriage and children, education, health and eventually death. *Pearls of Wisdom* is a story of love, hope and living life to its fullest.

**Yad** Daniel Karpinski,2018-11-26 Set in early 18th-century Spain, *Yad* offers a compelling and passionate re-imagining of the construction of El Transparente, an altar in the Cathedral of Toledo that represents the highest achievement of the Spanish Baroque. While running from his lover over the roofs of the city, Narciso Tomé, the altar's architect, accidentally causes the death of Toledo's public prosecutor. Fearful of the Inquisition, he flees in a hot-air balloon. Meanwhile, his wife, Esperanza, disguises herself as him and continues to work in the cathedral. After crashing in the south of Spain, Narciso becomes a bullfighter, travels with a band of sophisticated robbers, and then moonlights as a cheesemaker before returning to Toledo on the day of the altar's consecration. *Yad* is an engaging tour of 18th-century Toledo, moving between marzipan shops, steel blacksmithies and the densely populated underworld of crime and prostitution. Engaging, funny, cerebral and touching, this novel – steeped in the history of the time – explores the universal issues of betrayal, repentance, forgiveness and love.
