

# Translations Brian Friel

**Bianca Müller**

**Translations** Brian Friel, 1981 Publisher Description

**The Unreliability of Translations in Friel's Translations** Bianca Müller, 2010-06-04 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Wuppertal, course: The Politics of Irish Drama, language: English, abstract: 1. Introduction The title of the play in question written by Brian Friel, namely *Translations* identifies one of the common concerns the leading Field Day dramatist shares with other postcolonial writers and which is subject of analysis in this essay. The playwright himself emerges as a translator of the Irish Gaelic past, illustrated by the fictional Gaelic-speaking community Baeile Beag in Donegal, into the political and economic realities of an Anglicized Ireland. The interpretation will be put forward that the central notion of the play is the unreliability of translation. Before one examines Friel's utilisation of the concept 'translation' in the same-titled play, the technical term itself has to be clarified by drawing on some insights from translation theory. In addition to that, some brief comments will be made regarding the essay's underlying ideas of language, culture and identity as these will be frequently points of reference during the course of this essay. In order to justify the interpretation introduced above, Friel's theatrical device that is, to have the play enacted monolingual in the colonisers' tongue has to be commented on. It will be illustrated that the shift from one language (Irish) to another (English) is presented in the play as a predictable consequence of at least three forces: Firstly, the establishment of the National School System; secondly, the utility to learn English; thirdly, the perhaps strongest force presented as a powerful metaphor, the ordnance survey. The subsequent interpretations are rather based on character readings. Sarah, the mute hedge school student is of special interest because she represents the close connection between name and identity. Owen, the hedge school teacher's younger son has to be paid closer attention to because of his deliberately performed mistranslation. After considering Yolland's realistic articulation of the concealed cultural divide that separates him from the people of Baile Beag, Hugh's remarks about language will be addressed.

The theme of language in Brian Friel's Translations Silvia Dreiling, 2019-09-17 Seminar paper from the year 2015 in the subject Didactics for the subject English - Literature, Works, grade: 2,0, University of Salzburg, language: English, abstract: The Irish history is a history of disempowerment. The invasion by the English triggered a decline of Irish history and language, which resulted in a rise of English power. However, the English have not been able to gain full control over

Ireland, and the Irish defended their land not only physically but also verbally through literature. This struggle for power is represented in Brian Friel's *Translations*. The play takes place in 1833, a time of the first Ordnance Survey, and emergence of the new National Schools; the action happens at a hedge school in a small Irish speaking community, where no English is taught or thought to be important. Nevertheless, throughout the story the English language becomes more and more dominant as English soldiers arrive, the mapping of Ireland becomes central, or the national schools were simply responding to the needs of the times. Language plays not only a significant role in the story but is also a powerful element. In *Translations*, a power shift is represented through the change in the use of and the attitude towards language as well as through the process of language substitution. This paper discusses these changes in relation to the element of power within Ireland.

The Unreliability of Translations in Friel's *Translations* Bianca Müller, 2010-06 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Wuppertal, course: The Politics of Irish Drama, language: English, abstract: 1. Introduction The title of the play in question written by Brian Friel, namely *Translations* identifies one of the common concerns the leading Field Day dramatist shares with other postcolonial writers and which is subject of analysis in this essay. The playwright himself emerges as a translator of the Irish Gaelic past, illustrated by the fictional Gaelic-speaking community Baeile Beag in Donegal, into the political and economic realities of an Anglicized Ireland. The interpretation will be put forward that the central notion of the play is the unreliability of translation. Before one examines Friel's utilisation of the concept 'translation' in the same-titled play, the technical term itself has to be clarified by drawing on some insights from translation theory. In addition to that, some brief comments will be made regarding the essay's underlying ideas of language, culture and identity as these will be frequently points of reference during the course of this essay. In order to justify the interpretation introduced above, Friel's theatrical device that is, to have the play enacted monolingual in the colonisers' tongue has to be commented on. It will be illustrated that the shift from one language (Irish) to another (English) is presented in the play as a predictable consequence of at least three forces: Firstly, the establishment of the National School System; secondly, the utility to learn English; thirdly, the perhaps strongest force presented as a powerful metaphor, the ordnance survey. The subsequent interpretations are rather based on character readings. Sarah, the mute hedge school student is of special interest because she represents the close connection between name and identity. Owen, the hedge school teacher's younger son has to be paid closer attention

**Romantic love in Brian Friel's "*Translations*"** Ronja Thiede, 2019-05-22 Seminar paper from the year 2017 in the subject Literature - Modern Literature, grade: 1,3, Catholic University Eichstätt-Ingolstadt, language: English, abstract: Brian Friel's play *Translations* takes place in Baile Beag, a rural, Irish-speaking community in County Donegal, and is set in the year 1833. Its historical setting marks a major transition within the Irish culture, which was progressively eradicated by

the British colonizers at that time. This paper examines the concept of love in *Translations*. All kinds of romantic love presented in the play will be analyzed. First, the focus will be on the asymmetrical love between Sarah and Manus as well as on its consequences. Then, the conflict-laden love triangle between the engaged couple Manus and Maire, and the newly enamored lovers Maire and Yolland will be analyzed precisely. After that, there will be an insight in Jimmy Jack's love towards the ancient Greek goddess Athena.

*Translations*, by Brian Friel, [directed by Elsa Bolam]. ,1983

**Translations, Brian Friel** John Brannigan,2000 Building on the formula of York Notes, this Advanced series introduces students to more sophisticated analysis and wider critical perspectives. The notes enable students to appreciate contrasting interpretations of the text and to develop their own critical thinking.

Brian Friel, Translations Loreto Todd,1996

*Brian Friel Plays 1* Brian Friel,2013-04-18 With the production of Philadelphia, Here I Come! in 1964, Brian Friel established his claim to be the true heir of such distinguished predecessors as Yeats, Synge, O'Casey and Beckett. Since then his work has consistently demonstrated that his strength is an equal awareness of the conditions of individual lives and the historical and political forces affecting them. The plays in this first volume ( Philadelphia, Here I Come!, The Freedom of the City, Living Quarters, Aristocrats, Faith Healer and Translations) are introduced by Professor Seamus Deane of University College, Dublin.

*Brian Friel* William Kerwin,1997 First published in 1997

*Irish Writing in the Twentieth Century* David Pierce,2000 With five Nobel Prize-winners, seven Pulitzer Prize-winners and two Booker Prize-winning novelists, modern Irish writing has contributed something special and permanent to our understanding of the twentieth century. *Irish Writing in the Twentieth Century* provides a useful, comprehensive and pleasurable introduction to modern Irish literature in a single volume. Organized chronologically by decade, this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected. It embraces all forms of writing, not only the major forms of drama, fiction and verse, but such material as travel writing, personal memoirs, journalism, interviews and radio plays, to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage. David Pierce has selected major literary figures as well as neglected ones, and includes many writers from the Irish diaspora. The range of material is enormous, and ensures that work that is inaccessible or out of print is now easily available. The book is a delightful compilation, including many well known pieces and captivating discoveries, which anyone interested in literature will long enjoy browsing and dipping into.

Medieval and Modern Ireland Canadian Association for Irish Studies. International Conference,1988-01-01 Readers of this volume will be struck by the pervasiveness of the connections between the medieval and the modern in Ireland and the

Irish, artists in particular, and realize why James Joyce could hardly avoid linking the modern Irish artist with the medieval Irish monk, as he does in the bitter musings of Stephen Dedalus, who walks alone into eternity along Sandymount Strand: You were going to do wonders, what? Missionary to Europe after fiery Columbanus. Contents: Introduction, Richard Wall; The Image Of The IrishóMedieval and ModernóContinuity and Change, F.X. Martin, O.S.A.; John Bull's Other Ego: Reactions to the Stage Irishman in Anglo-Irish Drama, Heinz Kosok; Contemporary Irish Poetry and The Matter of IrelandóThomas Kinsella, John Montague and Seamus Heaney, Brian John; Early Irish Literature and Contemporary Scholarly Disciplines, Ann Dooley; Brian Friel's Translations: National and Universal Dimensions, Wolfgang Zach; Brian Moore and The Meaning of Exile, Hallvard Dahlie; Medieval Irish Poetics: Linguistic Interaction and Audience, Toni O'Brien Johnson; The Artifice of Eternity: Medieval Aspects of Modern Irish Literature, John Wilson Foster; Notes; Notes on Contributors; Index^R

The Cambridge Companion to Brian Friel Anthony Roche, 2006-10-19 Brian Friel is widely recognized as Ireland's greatest living playwright, winning an international reputation through such acclaimed works as *Translations* (1980) and *Dancing at Lughnasa* (1990). This 2006 collection of specially commissioned essays includes contributions from leading commentators on Friel's work (including two fellow playwrights) and explores the entire range of his career from his 1964 breakthrough with *Philadelphia, Here I Come!* to his most recent success in Dublin and London with *The Home Place* (2005). The essays approach Friel's plays both as literary texts and as performed drama, and provide the perfect introduction for students of both English and Theatre Studies, as well as theatregoers. The collection considers Friel's lesser-known works alongside his more celebrated plays and provides a comprehensive critical survey of his career. This is a comprehensive study of Friel's work, and includes a chronology and further reading suggestions.

*English Literature and the Other Languages* Ton Hoenselaars, Marius Buning, 1999 The thirty essays in this book trace how the tangentiality of English and other modes of language affects the production of English literature, and investigate how questions of linguistic code can be made accessible to literary analysis.--BOOKJACKET.

**Brian Friel's Translations: from Sage to Stage to Page** Paula S. Wenzl, 2001

*The Issues of Language, Personal Identity and History in Brian Friel's Translations* Edyta Lorek-Jezińska, 1998

*Brian Friel: Collected Plays - Volume 2* Brian Friel, 2016-08-16 This second collection of Brian Friel's work contains: *The Freedom of the City* (1973) *Volunteers* (1975) *Living Quarters* (1977) *Aristocrats* (1979) (March) *Faith Healer* (1979) (April) *Translations* (1980)

An Analysis of the Play "Translations" by Brian Friel Joanne M. Mathieu, 2003

*Brian Friel* Nesta Jones, 2000 Is your enjoyment of Brian Friel's work hampered by a lack of Irish historical knowledge? Are you studying his plays and looking for help with interpretation? Do you teach Friel and need reliable guide to the plays? A Faber Critical Guide to Brian Friel's major work gives all this and more. It gives an introduction to the distinctive features of

the playwright's work; it explains the significance of the playwright in the context of modern theatre; it provides a detailed analysis of each of the classic plays in terms of language, structure and character; and it includes features of performance and a select bibliography. Compiled by experts in their field, for use in the classroom, college or at home, Faber Critical Guides are the essential companions to the work of leading dramatists.
