A Good Day to Pie Misha Popp, 2023-02-07 Competitive baking takes a murderous turn in Misha Popp's "decadent and addicting" (Melissa Bourbon) second *Pies Before Guys* cozy mystery—oven-ready for fans of Ellery Adams and Mary Maxwell. Everyone loves a good pie. But how about a pie that's as deadly as it is delectable? Daisy bakes a little murder into every pie she creates, and she and her dog, Zoe, deliver them to the town's worst cads. Now, Daisy's entered a televised, elimination-style competition and has a shot at \$100k in prize money—but she still has a murder pie to deliver between filming. In a completely unexpected turn of events, she discovers that her intended victim is one of the competition judges, and he turns up dead before the pie even arrives. Now, Daisy has to solve the murder—even if it means working a bit of magic—before someone calls foul play and exposes her murderous secret. For anyone who's ever fantasized about the world of competitive baking à la the Great British Bake Off—or has ever dreamed of getting back at that guy who wronged them years ago—Popp's culinary cozy series is as alluring as a perfectly baked pie, this edgy yet utterly charming novel takes the idea of "a dessert to die for" to a whole new level.

Gorkon Book One: A Good Day to Die Keith R. A. DeCandido, 2012-08-07 The Order of the Bat'leth: founded after

Kahless's ascension to Sto-Vo-Kor, the Order was tasked with rooting out dishonorable behavior and spreading the word of Kahless to the Klingon people. In the subsequent millennium, the Order has become more ceremonial, but now Chancellor Martok has called the Order back to its original function -- to preserve the cause of honor. Book Two Captain Klag of the I.K.S. Gorkon -- the newest inductee into the Order -- has given his word to the Children of San-Tarah that the Klingon Empire will leave them in peace. But Klag's old rival General Talak has ordered him to go back on his word and aid Talak in conquering the San-Tarah's world. Now Klag must stand against his fellow Klingons -- but will even his fellow members of the Order of the Bat'leth, not to mention his own crew, follow him into disobedience? Or will they betray him to Talak? The crew of the Gorkon faces its greatest trial in a glorious adventure that will be remembered in song and story throughout the Empire!

A Good Day for Pie Jennifer M. Lane,2020-09-10 Having grown up poor and hungry on the outskirts of town, Kyle swore he'd never move back to Ramsbolt, Maine. He turned his job as a chef into a business degree, then into a career in finance, and he never needed to look back. But when his father falls ill, Kyle heads home, swearing it won't be forever. As he cares for his aging father, his savings account drains. Time creeps on, and his part-time job at a local farm becomes permanent, where his dream of teaching cooking classes in his own chain of kitchenware stores fades into cornfields and dusty barns. He's abandoned his dream, deserted his career, and doesn't fit in his own hometown. When Ramsbolt's new town manager devises a plan to breathe life into empty storefronts, Kyle sees a chance to chase his dream. But pursuing happiness will take every penny he has, and Kyle has no safety net. Plus, Ramsbolt isn't wild about outsiders and without the support of the town, he'll sink. He's willing to risk it all to open the store he always dreamed of, but will his trendy shop be welcome in a town set in its ways, or will a crumbling building and financial setbacks force him to fail? Unless he can prove that he really belongs and the store takes off, he'll be more than bankrupt. He'll be right back where he started - poor and hungry on the outskirts of town.
